Find out whether your state legislators voted **FOR** or **AGAINST** Maine workers on **11** critical votes; hold them accountable on Election Day!

Open this Scorecard to see whether your State Senator and State Representative vote **FOR** or **AGAINST** workers on 11 key pieces of legislation impacting the everyday lives of Maine workers and families in the first and second sessions of the 126th Maine Legislature spanning 2013 and 2014:

- 2014: Funding merit and longevity pay (LD 1843);
- 2014: Overriding the Governor's budget veto and therefore authorizing state workers' reclassifications and reallocations (LD 1858);
- 2014: Helping the laid-off workers at Maine Military Authority (LD 1837);
- 2014: Expanding access in 2014 to quality, affordable healthcare to 70,000 Mainers (LD 1487);
- 2013: Passing the two-year Bipartisan State Budget restoring many of the harmful cuts demanded by Gov. LePage (LD 1509);
- 2013: Overriding the Governor's budget veto and therefore avoiding a shutdown of Maine State Government (Also LD 1509);
- 2013: Restoring the ability of thousands of Mainers to access affordable mail-order prescription drugs (LD 171);
- 2013: Defending public workers' rights against harmful 'right-to-work-for-less' legislation (LD 786 ought not to pass);

MSEA-SEIU Retiree Director George Burgoyne, at right, thanks State Sen. Geoff Gratwick for helping to enact into law the legislation raising the one-time-only "ad hoc" or "cash" retirement cost of living adjustment (COLA) this year. Listening at left is our coalition partner Danna Hayes of the Maine Women's Lobby. Sen. Gratwick scored a perfect 100 percent by voting **FOR** Maine workers on all 11 pieces of legislation we tracked in this Legislative Scorecard.

## Retiree victory! One-time-only COLA raised

One critical piece of legislation we tracked but excluded from this 2014 Scorecard was our successful legislation raising the one-time-only "ad hoc" or "cash" retiree cost of living adjustment (COLA) so that it is calculated on up to \$30,000 of a retiree's pension base. The Legislature unanimously approved this legislation, LD 232, and it became law without the Governor's signature. As such, we saw no need to list each legislator's vote on it.

- 2013: Defending private and public workers' rights against harmful 'right-to-work-for-less' legislation (LD 831 ought not to pass);
- 2013: Expanding MaineCare under the Affordable Care Act

- to provide healthcare to 70,000 Mainers who lack it (LD 1066);
- 2013: Raising the minimum wage incrementally to \$9 an hour by 2016 (LD 611).

Legislators who scored 100

percent on the Scorecard consistently voted **FOR** Maine workers and families. The "100 percent" legislators showed real leadership. Be sure to thank them for advocating for Maine workers and families.

Legislators who scored a zero (0) percent on the Scorecard consistently voted **AGAINST** Maine workers and families.

Those legislators who scored between 100 and zero percent voted for Maine workers and families with some but not all of their votes. "Absent" indicates a legislator was absent for a vote. "Excused" indicates a legislator was excused.
