

## Provisional Ballots

### Provisional Ballots

Provisional voting is a way for a voter to cast a ballot at the polls on Election Day when they are challenged because of one of the following situations:

1. If the voter is **unable to present photo ID** that meets the “proof of identification” requirements.
2. If the voter’s **name does not appear on the poll list** (the voter is not registered to vote in the precinct) unless the voter qualifies to vote using one of the “Fail-Safes” explained in the *Indiana Voter’s Bill of Rights*.
3. The voter’s name appears on the poll list, but the **voter does not currently reside in the precinct** unless the voter qualifies to vote using one of the “Fail-Safes” explained in the *Indiana Voter’s Bill of Rights*.
4. The poll list indicates that the voter is also required to **present additional documentation to verify their residency** as a first time voter, but the voter is not able to do so.
5. The voter is **not a U.S. citizen**.
6. The voter will **not be 18 years of age** or older at the general or municipal election. **NOTE:** *Otherwise qualified 17 year olds may vote in a primary election, but NOT for a school board office, political party office (such as precinct committeeman or state convention delegate) or on a public question voted on at the same time as the primary.*
7. The voter’s **signature on the poll list does not match** that on the registration record of the county.
8. In a primary, the voter is **not affiliated with the party** whose ballot the voter is requesting.

**EXCEPTION:** *A voter challenged in a primary due to party affiliation is NOT issued a provisional ballot if the challenged voter is willing to complete and sign the challenged voter’s affidavit (Form PRE-6). The voter is then issued the regular ballot of that party, which is NOT kept separate from the undisputed ballots cast in the precinct.*

If you do cast a provisional ballot, you have until noon 10 days after the election, (until May 13th for the Primary Election on May 3rd, and until November 18th for the Municipal Election on November 8th), to present the needed documentation or a proper form of photo ID.

The voter’s provisional ballot is kept separate from all other ballots cast at the polls on Election Day. After the polls close, the provisional ballot is forwarded to the county election board, which decides whether or not the provisional ballot should be counted.

### Who’s On Your Ballot?

Before each election, the Indiana Secretary of State’s office works with all 92 county clerks to build an online database of candidates. By visiting [www.IndianaVoters.com](http://www.IndianaVoters.com), citizens can view their complete ballot before going to the polls to vote. The candidate information on this website is supplied and maintained by the Indiana Election Division and by each county election board.

### Who Are Your Elected Officials?

For the first time, citizens can now go online to [www.WhoAreYourElectedOfficials.IN.gov](http://www.WhoAreYourElectedOfficials.IN.gov) to view a complete list of who represents them at all levels of government, from President to school board members. By entering an address and clicking on search, a printable list of who represents that citizen is made available. This is the first database of its kind in the nation.

## Photo ID

### Photo Identification

A voter must provide government-issued photo ID before casting a ballot. The ID must fit the following criteria:

- Your ID must display your photo.
- Your name on the ID must conform with your voter registration record. Conform does NOT mean identical. Below are examples of names that would conform to “Robert John Crew”:
  - Robert John Crew
  - Robert J. Crew
  - Robert Crew
  - R. John Crew
  - R. J. Crew
  - Bob John Crew
  - Bob J. Crew
  - Bob Crew
  - John Crew
  - J. Crew
- Your ID must contain an expiration date and either still be current or have expired sometime *after* the date of the last General Election (November 2, 2010).
  - Including Military IDs with expiration dates of “INDEF.”
- Your ID must be issued by the State of Indiana or the US government.

In most cases, an Indiana driver license, Indiana photo ID card, Military ID or US passport is sufficient. Interim IDs issued by the BMV are also acceptable.

If you are unable or unwilling to present ID meeting these requirements, you may cast a provisional ballot. If you cast a provisional ballot, you have until noon 10 days after the election to follow up with the county election board and either provide the necessary documentation or affirm one of the law’s exemptions applies to you.

Exemptions do exist for the indigent, those with a religious objection to being photographed, and individuals living in state-licensed facilities where the precinct’s polling place is also located.

If you do not already have a valid photo ID, you can obtain an Indiana photo ID card **free of charge** from any Bureau of Motor Vehicles branch that issues driver’s licenses and ID cards.

For more information, please visit [www.PhotoID.in.gov](http://www.PhotoID.in.gov) or call the BMV at (317) 233-6000.

## Absentee Voting

### Absentee Voting

As a registered voter in Indiana, you are eligible to vote **absentee-in-person** at your county election board office beginning 29 days before Election Day.

In order to vote **absentee-by-mail**, one of the following must apply:

1. You have a specific, reasonable expectation that you will be absent from the county on Election Day during the entire 12 hours that the polls are open (6 am to 6 pm).
2. You have a disability.
3. You are at least 65 years of age.
4. You will have official election duties outside of your precinct.
5. You are scheduled to work at your regular place of employment during the entire 12 hours that the polls are open.
6. You will be confined due to illness or injury or you will be caring for an individual confined due to illness or injury during the entire 12 hours that the polls are open.
7. You are prevented from voting because of a religious discipline or religious holiday during the entire 12 hours that the polls are open.
8. You are a participant in the state’s address confidentiality program.
9. You are a member of the military or a public safety officer.

When the county election board receives your application for a mail-in absentee ballot, they will process it and if the application is approved, mail you an absentee ballot for the upcoming election.

In order to vote **absentee-by-traveling board**, you must fit into bullet points 2 or 6 above. The ballot will be delivered to you by a bi-partisan absentee voter board who will be able to assist you with your ballot.

### Accessibility

State law requires that polling locations and voting machines be accessible to elderly voters and voters with disabilities. If you need assistance voting, you may choose someone to help you (other than your employer or union officer) or one poll worker from each major political party will be available to assist you.

If you wish to file a grievance about your polling place’s accessibility or report possible fraudulent election activities please call the Hoosier Voter Hotline at 1-866-IN-1-VOTE (866-461-8683).
