**“IT IS NOT WHAT WE DO,
BUT ALSO WHAT WE DO
NOT DO FOR WHICH WE
ARE ACCOUNTABLE.”**

- JOHN BAPTISTE MOLIÈRE

The Arizona chapter of Americans for Prosperity works to improve the well-being of Arizona citizens by passing legislative policy reforms that expand economic freedom. Our 2017 Legislative Scorecard is the 34th annual scorecard put out by AFP-Arizona and the Arizona Federation of Taxpayers. The Scorecard assigns weights to bills according to their projected dollar impact to Arizona taxpayers, consumers, and producers (\$1 million equals one point). Fiscal Year 2017-2018 budget was scored according to how many millions of dollars the Legislature and Governor voted to spend above or below \$9.9 billion – including supplemental spending increases to the FY 2016-2017 budget. Legislators are penalized on the Scorecard if key bills do not come to floor votes, but the Scorecard does allow for substitute bills that have similar policy impacts. The weighting of bills is adjusted for a probability factor and for a long-term policy value factor. AFP-Arizona traditionally assigns a triple weight to tax bills, using the Joint Legislative Budget Committee’s three-year Fiscal Notes when available.

SCORE DESIGNATION

90-100% = Hero of the Taxpayer
80-89% = Champion of the Taxpayer
70-79% = Friend of the Taxpayer
60-69% = Not Bad

50-59% = Needs Improvement
30-49% = Friend of Big Government
10-29% = Champion of Big Government

AFP-AZ thanks its activists, coalition partners and allied Legislators for their assistance in developing this agenda. Longer-term objectives beyond 2017 include: instituting a firm state spending limit, eliminating the state's income taxes, creating a personal use education tax credit for parents, fully voucherizing higher education, allowing Arizona employees to direct retirement withholding into their own personal savings accounts, enacting sensible pro-business and pro-consumer tort reforms, allowing interstate purchase of health insurance plans, and using long-term private concessions to build new freeway lane-miles.
