

FEDERAL REPUBLIC OF GERMANY
**FEDERAL OFFICE OF BUNDESWEHR EQUIPMENT,
INFORMATION TECHNOLOGY AND IN-SERVICE SUPPORT**

**Certificate of Approval as a Contractor
for Bundeswehr Aircraft / Aeronautical Equipment**

Certificate No: BWB-3542I - A14/12/01

In accordance with § 30 of the German Air Navigation Act (LuftVG) and in conjunction with Bundeswehr Joint Service Regulation ZDv A-1525/1, the company

**Airbus Operations GmbH
Kreetslag 10
D-21129 Hamburg**

with its establishments in Hamburg, Bremen and Stade is hereby approved by The Federal Office of Bundeswehr Equipment, Information Technology and In-Service Support (BAAINBw) as a contractor for work involving Bundeswehr aircraft and aeronautical equipment, subject to the restrictions stipulated in the attached Annex.

The company is qualified to develop and manufacture the Bundeswehr aircraft and aeronautical equipment listed in the attached Annex and establish their airworthiness in accordance with applicable regulations. To this end, the company maintains a quality management system suitable for these Bundeswehr aircraft / aeronautical equipment.

This Certificate is based on my verification and on continuous monitoring of the company's facilities on the basis of the civil aviation requirements as adapted to Bundeswehr aircraft / aeronautical equipment and on the product and performance related quality assurance requirements as laid down in the Annex. This Certificate is valid until the date below unless it is prematurely returned, temporarily suspended or revoked in total or in part.

The validity of this Certificate is subject to the application of the established quality management system and to the maintenance of the quality and performance level as certified. Any amendments to the system documentation shall require my prior approval.

**This Certificate is valid until:
30th June 2016**

Koblenz, 20th November 2014
