Quality Assurance. Spot the Differences!

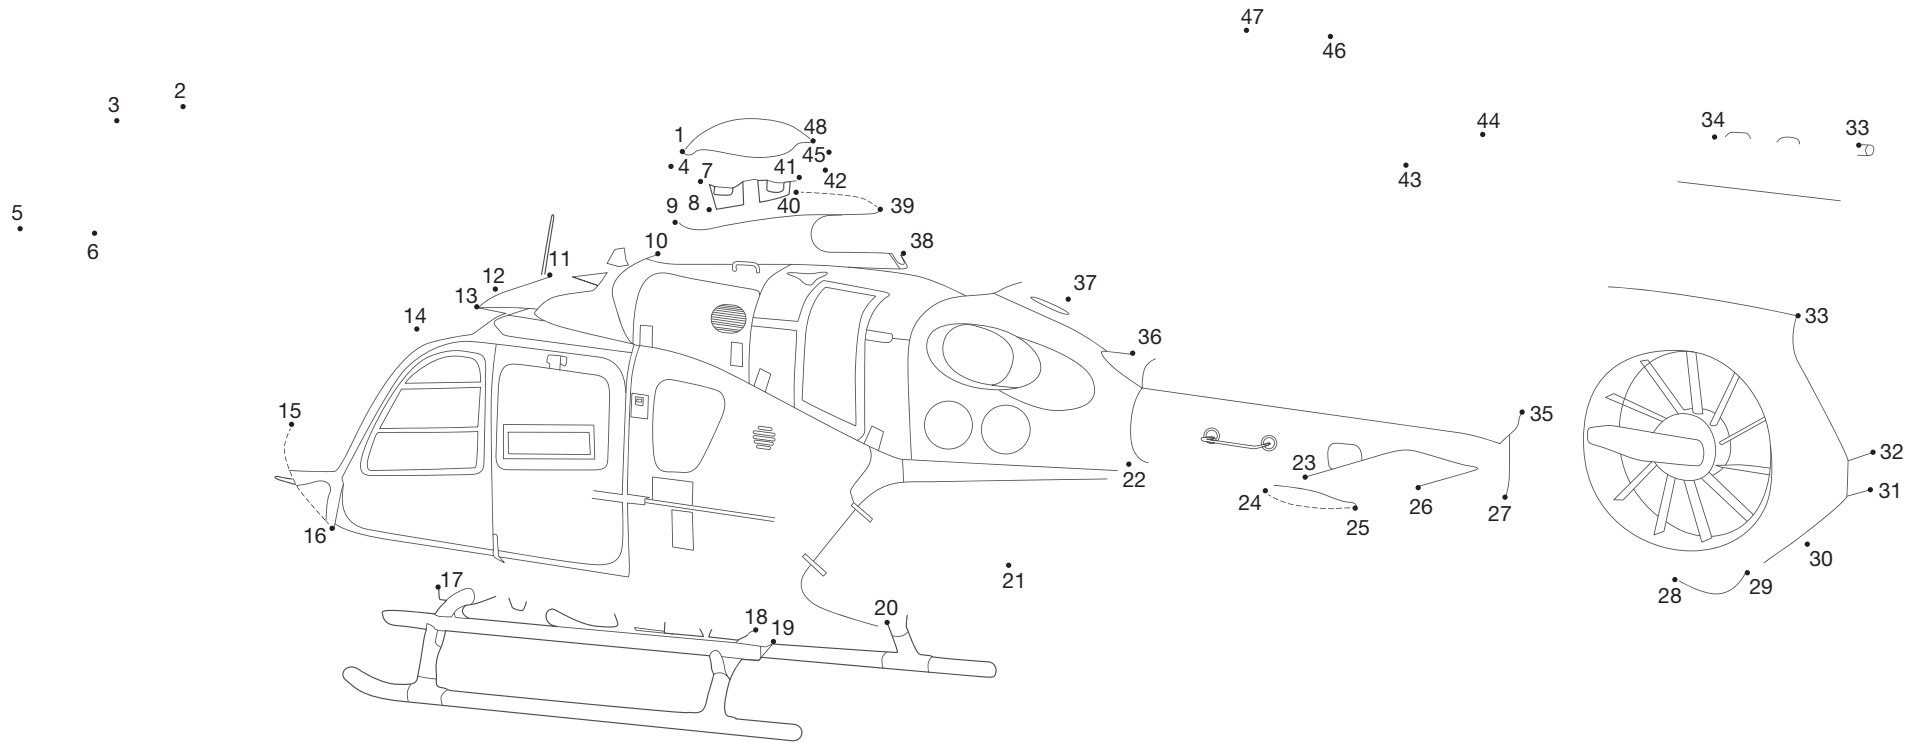

Before a helicopter is delivered to a customer, we do multiple quality checks to make sure everything is working properly. Can you spot what is missing on the helicopter on the right, before we deliver it? **HINT:** There are **10** differences.

WE MAKE IT FLY!

Help Build an H135 Airbus Helicopter

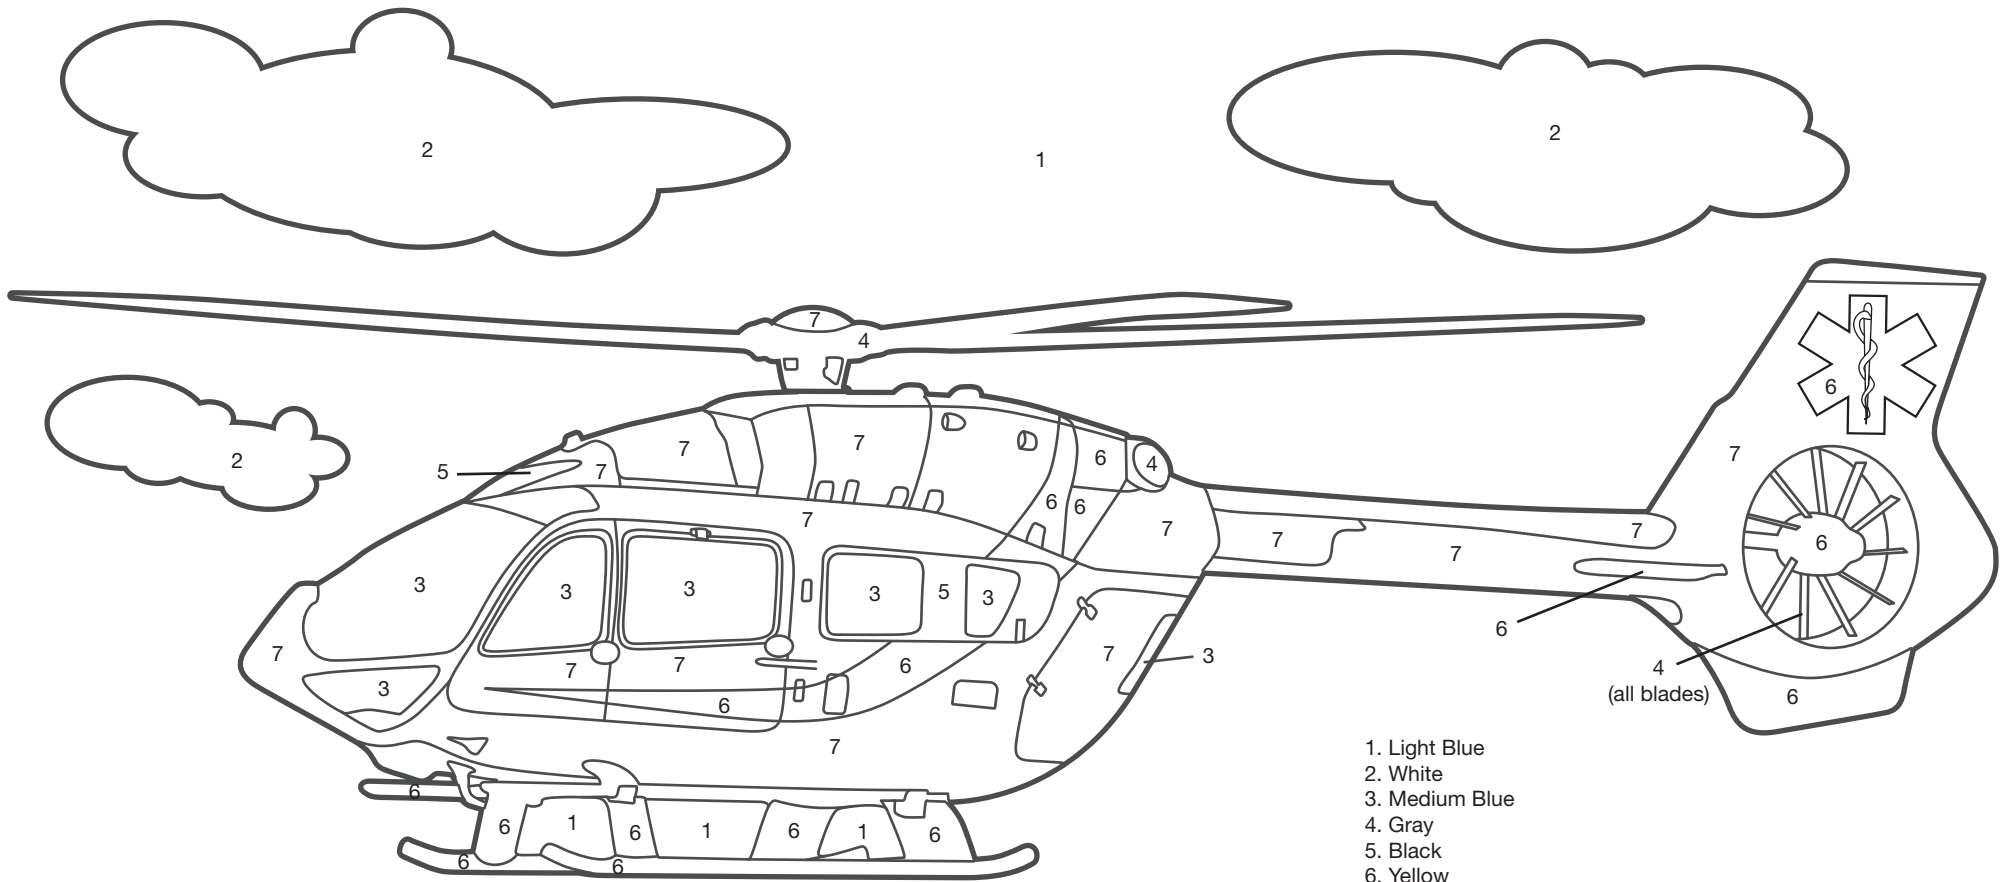

Connect the dots and help us build the proven H135 Airbus helicopter. Your parent, guardian, or even an older sibling can help if you get stuck.

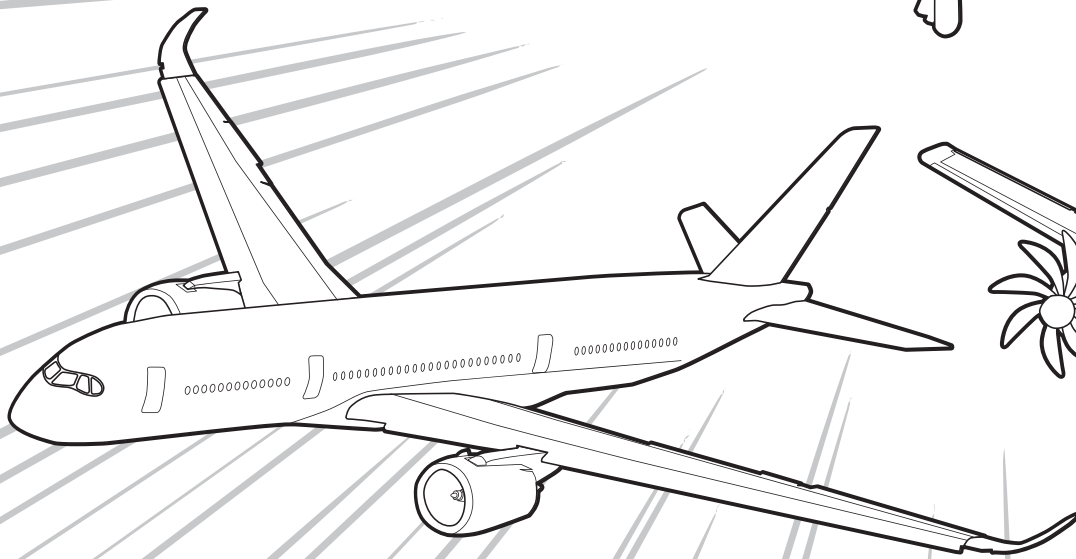

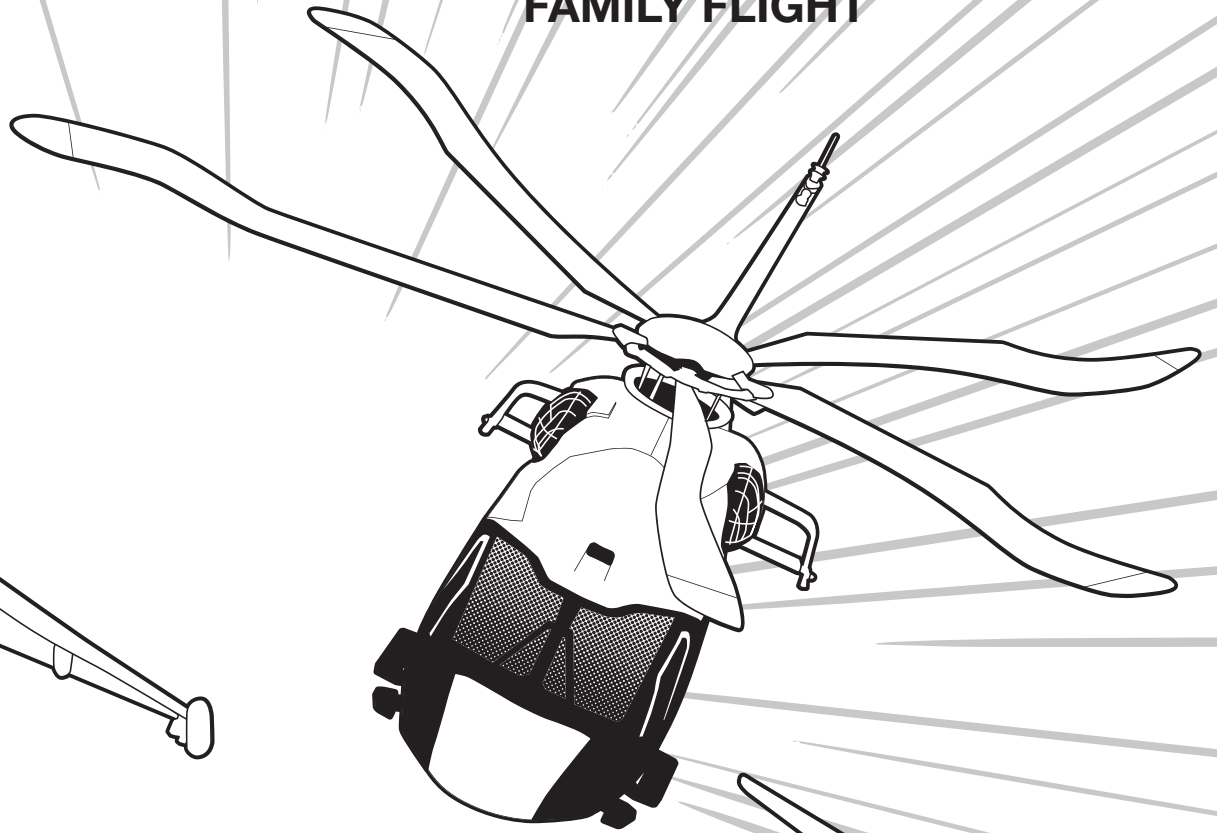

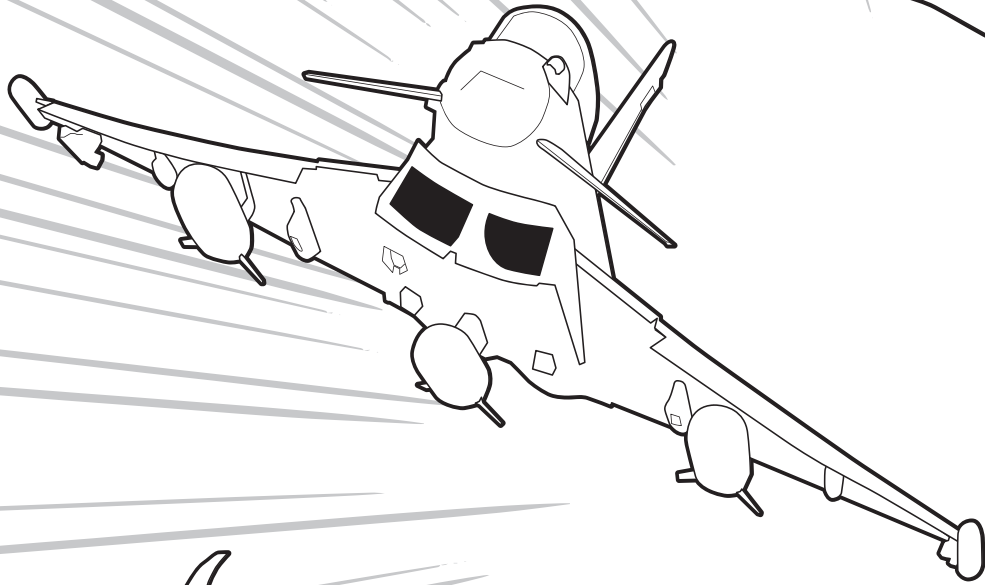

H145 Airbus Helicopter

Paint-By-Numbers

Our customer needs a paint scheme for their new H145 air ambulance. Can you help? Follow the color key down below. Use crayons, colored pencils or markers. Have fun!
