The Mission of the Locke and Smith Foundation is to hold elected officials accountable to the Federal and State Constitutions

GRADING — Each bill that gets to the Third Reading stage is evaluated. We only evaluate the changes in the legislation, not what is already law. Each bill is labeled as “Accepted” or “Rejected” based on our nine criteria. Each bill is evaluated every time it passes out of a chamber. In 2018, we evaluated 216 bills and 301 scored votes in the House and 108 bills and 203 scored votes in the Senate.

SCORING — One point is given for a YES vote on Accepted bills. One point is given for a NO vote on Rejected bills. Zero points are given for incorrect votes and for legislators declared absent. One point is deducted if a Representative votes present or a Senator has an unexcused absence, unless the legislator can verify an abstention was due to a valid conflict of interest. We consider it the legislators duty to take a stand on all legislation. The winners are the Senator and Representative with the highest point total.
