

## **Coronavirus (Scotland) Bill**

### **Amendment to be moved at Stage 2**

Schedule 4, Page 28, line 34 add at end ---

< the Mental Health Tribunal for Scotland >

### **Effect**

This amendment adds the Mental Health Tribunal for Scotland to the definition of Tribunal in the bill

### **Reason**

The Mental Health Tribunal for Scotland has not been transferred to the First-Tier Tribunal for Scotland. It is not included in the interpretation provision in Schedule 4. This omission needs to be rectified and this amendment is therefore necessary.
