

SUMMARY OF REGULATIONS ADOPTED BY THE COMMISSION ON PROFESSIONAL STANDARDS IN EDUCATION

EFFECTIVE: February 28, 2022

1. [R026-20](#)

Changes to NAC 391.202

- Changes the name of the computer technology bases applications and computational thinking endorsement to introductory computer science in kindergarten through grade 12
- Allows licensed educators with a valid elementary, middle, secondary, special education, or special license to add this endorsement to their license

Changes to NAC 391.253

- Allows a person to obtain a Jobs for America's Graduates (JAG) endorsement with a training program provided by the Department, an offer of employment from the Executive Director of Jobs for Nevada's Graduates, a school district or charter school
 - With a bachelor's degree; or
 - 4 years of professional experience in specific occupations; or
 - Has approval to receive an endorsement from the Executive Director of JAG
- Section 2(3) delineates requirements to receive approval from the Executive Director of JAG
- Section 2(4) details exemptions of the requirement to receive approval from the Executive Director of JAG

2. [R028-21](#) Changes to NAC 391.036 and NAC 391.0896

- Allows a person to obtain an Emergency Substitute license in districts that have over 9000 students during a State of Emergency as proclaimed by the Nevada Governor
- Such a person may continue to be employed as an Emergency Substitute for the remainder of the school year if the State of Emergency is lifted
- School districts must provide 1 hour of training in classroom management strategies and behavior management techniques for the Emergency Substitute teacher prior to that person serving as a teacher
