A Young Reader's Guide to the People and Events That Shaped a City

James K. Nelsen

Paperback: \$29.95 / ISBN: 978-1-9766-0003-6, 192 pages, 133 photos & illustrations, 9 maps. Grades: 6-12

Middle grade and high school learners gain new perspectives on state and national history through the lens of Wisconsin's oldest city in this engaging supplement to state and US history curricula. This richly-illustrated history sheds new light on important events and milestones. Using primary sources and archival photos, author James K. Nelsen explores city changes, from a resource-rich homeland of Native nations to an immigrant hub, to an industrial boom-town and, finally, to a vibrant tourist destination that continues to grapple with issues of systemic poverty and segregation. Nelsen also highlights key people, places, events, and innovations, including: freedom seeker Joshua Glover, Whitnall Park and the James E. Groppi Unity Bridge, labor movements and fair housing marches, industrial giants Harley Davidson and Allen Bradley, civil rights leader Vel Phillips, and much more. Both print and enhanced e-book formats include a glossary and discussion questions. The enhanced e-book also features audio narration and image descriptions for improved accessibility.
