## **Lieutenant Governor and Cabinet Members Conduct Site Visits in Manu'a**

*Arrival of Lieutenant Governor Talauega E. V. Ale in Manu'a*

[PICTORIAL] – Upon arrival in Ta'u Manu'a, Lieutenant Governor Talauega E. V. Ale boarded the MV Manu'atele, together with several cabinet members and staff, to set out and visit government project sites in Ofu and Olosega, on July 13, 2023. The respective directors and local residents discussed with the Lieutenant Governor the progress of each project, their impact on the environment and local communities with consideration to the challenges and potential opportunities that may arise. Lieutenant Governor Talauega and delegation thoroughly assessed the current state of infrastructure and developments at the following sites:

### **1. Ofu Emergency Escape road:**

**2. Old M&O building. Soon to be the home for the new Ofu Wharf Passenger Shelter building site:**

**3. Ofu Quarry site:**

**4. Olosega Emergency Escape road:**

**5. New Olosega Elementary School building site:**

**6. New Olosega Road construction site:**

**7. Olosega Seawall site:**
