

Discussions for the Technical Papers from the 2019 ASHRAE Annual Conference in Kansas City, Missouri

This is a compilation of the written questions and comments submitted to authors by attendees at the 2019 ASHRAE Annual Conference in Kansas City, Missouri. All authors were given the opportunity to respond.

The questions/comments and authors' responses are published with the papers in the hardbound volume of *ASHRAE Transactions*, Vol. 125, Part 2.
