

VALERI Special Announcement

March 19, 2020

The VALERI application will be unavailable on Thursday, March 26, 2020, from 9:00 PM EST until 11:59 PM EST for a system deployment. All users must log out of the system by 8:45 PM EST.

The deployment will include the following items:

- Enables event business rules to accept manual loan information updates, including Notice of Value changes.
- Revises the business rule logic ("Term of modified loan must not be greater than the lesser of 360 months from the modified loan start date OR 120 months from the original maturity date.") on the Loan Modification Complete event to correctly calculate the modified loan maturity date.

All inquiries should be directed to the VALERI Technical team at VALERI.VBACO@VA.GOV.

Thank you for your cooperation.
