2 BENEFICIARY DESIGNATION

I hereby revoke any previous designation of primary beneficiary(ies) and secondary beneficiary(ies), if any, and in the event of my death, designate the following:

Payment to Beneficiaries

If you want the beneficiary(ies) to receive 36 equal monthly payments rather than a lump sum*, you should select the corresponding box under Payment Option. If you choose 36 payments, the beneficiary cannot choose to receive a lump sum payment at the time of your death. If you want the beneficiary to have a choice at the time of payment, do not select a payment option.

A. Primary Beneficiaries are the person(s) or entity you choose to receive your life insurance proceeds. Payment will be made in equal shares unless otherwise specified. In the event that a designated primary beneficiary predeceases the Insured, the proceeds will be paid to the remaining primary beneficiaries in equal shares or all to the sole remaining primary beneficiary.

The total for all primary beneficiaries must equal 100%. If the total amount for your beneficiary does not equal 100%, or the total benefit amount, this may delay the processing of your beneficiary information. (Refer to page 1 for instructions). While Address, Phone Number and SSN for a beneficiary is helpful, it is not required.

If you need to designate more Primary Beneficiaries than the form allows, attach a sheet of paper with your Beneficiaries listed and please make sure to sign and date and also include your SSN or Control Number.

If you have to make any erasures or corrections they must bear your initials for authenticity.
