INTRODUCTION

FEDERAL PRISON CAMP

ASHLAND, KENTUCKY

The purpose of this booklet is to provide general information about the Federal Correctional Institution, Satellite Camp, Ashland, Kentucky. It is information which will aid you in adjusting to the routine of the camp.

For many of you, this will be your first prison experience. Whether it is or not, the booklet should prove helpful to you. Read it carefully and do not hesitate to ask questions if you have them.

If this is your first prison experience, you will be surprised to find that this camp operates with a minimum of rules and regulations. You will find considerable freedom of movement and less direct supervision that you might normally expect. This privilege carries with it a great responsibility on your part to see that the functions of the camp are properly carried out. While here, you are expected to conduct yourself in a responsible manner at all times, to be courteous to others, to be respectful toward all, and to obey instructions.

The camp is designated to house non-violent offenders. Due to the size of the population and the relatively small staff complement, you will be responsible for strictly adhering to the rules and regulations. Serious offenses, such as the introduction and/or possession of alcohol, marijuana, other unauthorized drugs, cellphones, cigarettes, and aggressive behavior will normally constitute a transfer to an institution of greater security and supervision.

You are encouraged to take advantage of the many opportunities for self-improvement while you are here. Make time serve you rather than just serve time. You can lose this time, or use it to improve your body, mind and spirit.

An Inmate Handbook is issued to each new commitment. It is your responsibility to become familiar with the contents of this book during your orientation. Any questions should be directed to the appropriate departmental personnel.

CAMP ADMINISTRATOR

The Camp Administrator is responsible for the overall management of the camp by planning, directing, coordinating, and evaluating programs designed to provide an atmosphere conducive to rehabilitation, discipline and well being of those incarcerated at this camp.

The Camp Administrator is responsible for the total administration as well as for planning, developing, implementing, supervising, and coordinating individual programs tailored to meet the particular needs of inmates in the unit. Such programming often is highly innovative and complex and requires close supervision and evaluation. This requires expertise and ability to realistically evaluate program effectiveness to meet prescribed goals. The Camp Administrator has full responsibility for the program operations and the unit's security.

The Camp Administrator possesses broad administrative responsibilities for the unit, including supervisory responsibility over the Case Managers, Correctional Counselors, and Unit Secretary, and for the delivery of quality programs and services to camp inmates. Accordingly, the Camp Administrator works closely with other Department Heads to achieve a mutually beneficial working relationship and use each other's expertise

CAPTAIN

The Captain is responsible for security, custody, and control within the camp. The majority of Rules and Regulations governing the camp are to insure your safety and that of the staff. You may request an interview with the Captain to discuss any concerns you may have.

CAMP CONTROLLED MOVEMENT

A controlled movement schedule has been implemented at FPC Ashland that consists of 3 moves throughout the day to include 2 morning/1 afternoon moves for those inmates assigned to details outside of the camp grounds. All inmates assigned to a particular work assignment will depart and return to the institution as a group. All inmates will depart from the front Food Service access gate and use the paths in front of the Camp and FCI until they reach their assigned work area. At no time should an inmate be in the back of either facility without staff escort or prior authorization. Any inmate observed in these areas are subject to disciplinary action. DISCIPLINE

In addition to the general guidelines listed in this booklet, this section is concerned with specific rights and responsibilities you have while in the prison community. There is a list of prohibited acts describing what constitutes a violation and the sanctions which may be taken against you. A Program Statement covering inmate discipline can be found in the Inmate Law Library. Read it and fully familiarize yourself with the rules and regulations governing your behavior at this facility.

In the event you are involved in a minor violation of regulations, the Unit Disciplinary Committee (UDC) will issue a decision. If you are involved in a major violation of the rules or if you repeat a minor violation, the UDC will refer to the Discipline Hearing Officer (DHO) who will issue a decision. All decisions are subject to appeal through the Administrative Remedy Procedure.

The Discipline Hearing Officer (DHO) is a Regional appointee empowered to issue appropriate sanction(s) in an effort to prevent the incident from reoccurring and to deter other inmates from engaging in similar activity. You may elect a Staff Representative for such hearings or have one appointed for you by the Warden or Camp Administrator. You may also request witnesses in your behalf.

ADMINISTRATIVE REMEDY PROCEDURES FOR INMATES

It is the policy of the Bureau of Prisons and the Federal Correctional Institution - Satellite Camp, Ashland, Kentucky, to provide inmates with an informal means to attempt resolution of any perceived problem at the lowest level possible and to seek assistance with that resolution at the local, Regional and Central Office level.

Inmates are required to informally present their complaints to Correctional Counselors, who in turn are required to initiate resolution informally. If the informal resolution is unsuccessful, the inmate may be issued an Administrative Remedy Form [BP-229(13)] by the Correctional Counselor. The inmate will return his Request for Administrative Remedy to his Correctional Counselor, who will deliver the appeal to the Administrative Remedy Clerk for receipt acknowledgment. The completed Informal Resolution Form must accompany the appeal.

Complaints must be presented on the proper form [BP-229(13)] and must be properly completed on that portion of the form (PART A) allotted for the narrative complaint.

Responses to BP-229(13)'s are to be returned to the inmate within 20 calendar days from the date of receipt. The inmate can request and receive from his Correctional Counselor, forms BP-230(13) and BP-232(13) for appealing the institution's administrative decision to the Region, or the Region's decision to the Bureau, as appropriate. The inmate must mail his completed BP-230(13) directly to the Regional Director or the General Counsel, Bureau of Prisons, using his own postage.

UNIT MANAGEMENT MISSION AND OBJECTIVES

Unit Management is designed to enhance the quality and delivery of correctional programs and services to inmates. Because the unit deals with a smaller number of inmates, it is better able to tailor its program to their needs, while increasing personal contact between the staff and the inmates. The programs developed and administered are designed to fulfill the objectives of the Bureau of Prisons, which are: secure confinement, appropriate punishment, deterrence, and rehabilitation.

Unit objectives are:

1. To divide large numbers of inmates into well defined groups whose members are encouraged to identify with each other and with the Unit Staff. This develops a feeling that members of the unit share common goals and responsibilities.
2. To increase the frequency of contact and the quality of relationship between staff and inmates, by placing decision-making personnel in close proximity to the inmates.
3. To provide better observation of inmates, thereby enabling early detection of problems

before they become too serious.

4. To regulate inmate behavior in such a way that they are held accountable for their actions and encouraged to exercise self-control.
5. To provide programs for each inmate which meet his needs, capabilities and ambitions.
6. To place special emphasis on each of the following:
 - A. Camp adjustment
 - B. Acquisition and performance of work skills
 - C. Interpersonal communications
 - D. Positive self-esteem
 - E. Self-Motivation
 - F. Problem solving techniques
 - G. Realistic goal setting
 - H. Education/Training
Acquisition of other "life" skills (for example, literacy, reasoning ability, social education)

Each individual will conduct himself in an adult manner and not bring discredit upon the Federal Correctional Institution - Satellite Camp. **Unauthorized contact with civilian personnel is strictly prohibited.**

CASE MANAGER

Case Managers are assigned to assure proper placement in the system. They assess your needs and those of the camp for program assignments. In addition, they also deal with Parole, Transfer, Furloughs, and Releases. They are an integral and essential segment of the Classification Team. Their hours are staggered in an effort to provide adequate coverage and to be available during non-working hours.

Upon assignment to a particular unit, a Case Manager and Correctional Counselor will be assigned to each inmate. The Case Manager and Correctional Counselor will be available in each unit.

Bureau of Prisons' Program Statements, Institution Supplements, and memorandums will be available in the Law Library for your use.

CORRECTIONAL COUNSELOR

The Correctional Counselor has the responsibility of assisting you with your day-to-day problems including: job assignments, visiting list, inmate account information, quarters and bed changes, furloughs, etc. The Correctional Counselor is your initial contact and your representative on the classification team. In most cases, the Correctional Counselor can resolve your problems, including emergencies. If not, you will be referred to the appropriate Staff Member.

OPEN HOUSE - CLASSIFICATION

The Unit Team operates under an "open door" policy. You may request to see members of your Unit Team as needed. However, please use courtesy if you cannot be seen at the time you request, and a Team Member will advise you when you may be seen. The Unit Management Complex will be closed Monday - Friday from 12:00 p.m. to 3:00 p.m. to allow the Case Managers and Counselors to process paperwork and to conduct classification meetings.

The Classification Team meet every Wednesday starting at 1:00 p.m. in the Administration Building or Case Management Complex. Watch the call out sheet for your name. Report to the administration hallway or case management complex to await your time to appear before the Unit Team for Classification.

The Correctional Systems Management Department is located in the front building. This department is responsible for carrying out the duties related to the Record Office, the Mail Room, and Receiving and Discharge (R&D). If you have questions concerning your Sentence Computation, Property or Mail, you may come to the ISM Department's Open House between the hours of 10:30 a.m. to 11:30 a.m., Tuesday through Friday.

RECORDS OFFICE

The Record Office is responsible for commitment documentation, computation of sentence, determination of release date, and method of release.

* Jail Time: Jail credit is controlled by Title 18 USC 3568 which states "The Attorney General shall give any such person credit toward service of his sentence for any days spent in custody in connection with the offense or act for which the sentence was imposed". Jail time must be certified by the U.S. Marshall having custody at that particular time.

Good Conduct Time: Good Conduct Time is controlled by Title 18 USC 3624(B). Good Conduct Time is the amount of time that may be credited toward the service of a sentence on a term of imprisonment of more than one year, other than a term of life. Good Conduct Time is based on the time in custody that the inmate actually serves. Good Conduct Time is automatically credited at the time the Sentence Computation is prepared. The "Projected Satisfaction Date", at the bottom of the Sentence Computation sheet, is the Projected Release Date giving credit for all Good Conduct Time which could be credit based on the time to be actually served on the sentence.

The Record Office is responsible for documenting the receipt of a Detainer and assisting you in connection with procedures under the Interstate Agreement of Detainer. When a Detainer is received, the notice of untried indictment, information, or complaint and the right to request disposition will be jointly signed by you and the Warden. SPECIAL MAIL FROM ATTORNEYS

To the inmate: It is suggested you provide the following information for special mail privileges to your attorney(s), at the earliest opportunity.

To the attorney: The Bureau of Prisons Program Statement on correspondence provides the opportunity for an Attorney who is representing an inmate to request that Attorney-Client correspondence be opened only in the presence of the inmate. For this to occur, Bureau Policy requires that you adequately identify yourself as an Attorney on the envelope and that the envelope be marked "**Special Mail - Open Only In The Presence Of The Inmate**" or with similar language. Provided the correspondence has this marking, Bureau Staff will open the mail only in the inmate's presence for inspection for physical contraband and the qualification of any enclosure as "Special Mail". The correspondence will not be read or copied if these procedures are followed. If your correspondence does not contain the required identification that you are an Attorney, a statement that your correspondence qualifies as "Special Mail", and a request that the correspondence be opened only in the presence of the inmate, staff may treat as general correspondence and may open, inspect, and read the mail.

You may obtain a copy of this instruction sheet from your Counselor.

All letters mailed through the Inmate's Mailbox may be opened and inspected with the exception of Legal/Special Mail. You are cautioned that you are totally responsible for all the contents of your letters.

Please feel free to come by this office with any questions you might have.

SEXUAL ABUSIVE BEHAVIOR PREVENTION & INTERVENTION

You Have the Right to be Safe from Sexually Abusive Behavior.

While you are incarcerated, **no one has the right to pressure you to engage in sexual acts.**

You do not have to tolerate sexually abusive behavior or pressure to engage in unwanted sexual behavior from another inmate or a staff member. Regardless of your age, size, race, ethnicity, gender or sexual orientation, you have the right to be safe from sexually abusive behavior.

What Can You Do To Prevent Sexually Abusive Behavior?

Here are some things you can do to protect yourself and others against sexually abusive behavior:

- Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.

- Do not accept gifts or favors from others. Most gifts or favors come with strings attached to them.
- Do not accept an offer from another inmate to be your protector.
- Find a staff member with whom you feel comfortable discussing your fears and concerns.
- Be alert! Do not use contraband substances such as drugs or alcohol; these can weaken your ability to stay alert and make good judgments.
- Be direct and firm if others ask you to do something you don't want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
- Stay in well lit areas of the institution.
- Choose your associates wisely. Look for people who are involved in positive activities like educational programs, psychology groups, or religious services. Get involved in these activities yourself.
- Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns to staff.

How Do You Report an Incident of Sexually Abusive Behavior?

It is important that you **tell a staff member if you have been sexually assaulted**. It is equally important to inform staff if you have witnessed sexually abusive behavior . You can tell your case manager, Chaplain, Psychologist, SIS, the Warden or any other staff member you trust.

BOP staff members are instructed to keep reported information confidential and only discuss it with the appropriate officials on a need-to-know basis concerning the inmate-victim's welfare and for law enforcement or investigative purposes. There are other means to confidentiality report sexually abusive behavior if you are not comfortable talking with staff.

- **Write directly to the Warden, Regional Director or Director.** You can send the Warden an Inmate Request to Staff Member (Cop-out) or a letter reporting the sexually abusive behavior. You may also send a letter to the Regional Director or Director of the Bureau of Prisons. To ensure confidentiality, use special mail procedures.
- **File an Administrative Remedy.** You can file a Request for Administrative Remedy (BP-9). If you determine your complaint is too sensitive to file with the Warden, you have the opportunity to file your administrative remedy directly with the Regional Director (BP-10). You can get the forms from your counselor or other unit staff.
- **Write the Office of the Inspector General (OIG)** which investigates allegations of staff misconduct. OIG is a component of the Department of Justice and is not a part of the Bureau of Prisons. The address is:

Office of the Inspector General
P. O. Box 27606
Washington, D.C. 20530

Understanding the Investigative Process

Once the sexually abusive behavior is reported, the BOP and/or other appropriate law enforcement agencies will conduct an investigation. The purpose of the investigation is to determine the nature and scope of the abusive behavior. You may be asked to give a statement during the investigation. If criminal charges are brought, you may be asked to testify during the criminal proceedings.

Counseling Programs for Victims of Sexually Abusive Behavior

Most people need help to recover from the emotional effects of sexually abusive behavior. If you are the victim of sexually abusive behavior, whether recent or in the past, you may seek counseling and/or advice from a psychologist or chaplain. Crisis counseling, coping skills, suicide prevention, mental health counseling, and spiritual counseling are all available to you.

Management Program for Inmate Assailants

Anyone who sexually abuses/assaults others while in the custody of the BOP will be disciplined and prosecuted to the fullest extent of the law. If you are an inmate assailant, you will be referred to Correctional Services for monitoring. You will be referred to Psychology Services for an assessment of risk and treatment and management needs. Treatment compliance or refusal will be documented and decisions regarding your conditions of confinement and release may be effected. If you feel that you need help to keep from engaging in sexually abusive behaviors, psychological services are available.

Policy Definitions

Prohibited Acts: Inmates who engage in inappropriate sexual behavior can be charged with the following Prohibited Acts under the Inmate Disciplinary Policy:

Code 101/(A): Sexual Assault

Code 205/(A): Engaging in a Sex Act

Code 206/(A): Making a Sexual Proposal

Code 221/(A): Being in an Unauthorized Area with a Member of the Opposite Sex

Code 300/(A): Indecent Exposure

Code 404/(A): Using Abusive or Obscene Language

Staff Misconduct: The Standards of Employee Conduct prohibit employees from engaging in, or allowing another person to engage in sexual, indecent, profane or abusive language or gestures, and inappropriate visual surveillance of inmates. Influencing, promising or threatening an inmate's safety, custody, privacy, housing, privileges, work detail or program status in exchange for sexual favors is also prohibited.

What is sexually abusive behavior? According to federal law (Prison Rape Elimination Act of 2003) sexually abusive behavior is defined as:

a. **Rape:** the carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person **FORCIBLY** or against that person's will; The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person not forcibly or against the person's will, where the victim

is **incapable of giving consent** because of his/her youth or his/her temporary or permanent mental or physical incapacity; or The carnal knowledge, oral sodomy, or sexual assault with an object or sexual fondling of a person achieved through the **exploitation of the fear or threat** of physical violence or bodily injury.

Carnal Knowledge: contact between the penis and vulva or the penis and the anus, including penetration of any sort, however slight.

Oral Sodomy: contact between the mouth and the penis, the mouth and the vulva, or the mouth and the anus.

b. **Sexual Assault with an Object:** the use of any hand, finger, object, or other instrument to penetrate, however slightly, the genital or anal opening of the body of another person (**NOTE:** This does NOT apply to custodial or medical personnel engaged in evidence gathering or legitimate medical treatment, nor to health care provider's performing body cavity searches in order to maintain security and safety within the prison).

c. **Sexual Fondling:** the touching of the private body parts of another person (including the genitalia, anus, groin, breast, inner thigh, or buttocks) for the purpose of sexual gratification.

What Can You Do if You Are Afraid or Feel Threatened?

If you are afraid or feel you are being threatened or pressured to engage in sexual behaviors, you should discuss your concerns with staff. Because this can be a difficult topic to discuss, some staff, like psychologists, are specially trained to help you deal with problems in this area.

If you feel immediately threatened, approach any staff member and ask for assistance. It is part of his/her job to ensure your safety. If it is a staff member that is threatening you, report your concerns immediately to another staff member that you trust, or follow the procedures for making a confidential report.

What Can You Do if You Are Sexually Assaulted?

If you become a victim of a sexually abusive behavior, **you should report it immediately to staff** who will offer you protection from the assailant. You do not have to name the inmate(s) or staff assailant(s) in order to receive assistance, but specific information may make it easier for staff to know how best to respond. You will continue to receive protection from the assailant, whether or not you have identified him or her (or agree to testify against him/her).

After reporting any sexual assault, you will be referred immediately for a medical examination and clinical assessment. Even though you may want to clean up after the assault **it is important to see medical staff BEFORE you shower, wash, drink, eat, change clothing, or use the bathroom.** Medical staff will examine you for injuries which may or may not be readily apparent to you. They can also check you for sexually transmitted diseases, pregnancy, if appropriate, and gather any physical evidence of assault. The individuals who sexually abuse or assault inmates can only be disciplined and/or prosecuted if the abuse is reported. **Regardless of whether your assailant is an inmate or a staff member, it is important to understand that you will never be disciplined or prosecuted for being the victim of a sexual assault.**

d. **Sexual Misconduct** (staff only): the use of indecent sexual language, gestures, or sexually oriented visual surveillance for the purpose of sexual gratification.

An incident is considered **Inmate-on-Inmate Abuse/Assault** when any sexually abusive behavior occurs between two or more inmates. An incident is considered **Staff-on-Inmate Abuse/Assault** when any sexually abusive behavior is initiated by a staff member toward one or more inmates. It is also considered Staff-on-Inmate Abuse/Assault if a staff member willingly engages in sexual acts or contacts that are initiated by an inmate.

NOTE: Sexual acts or contacts between two or more inmates, even when no objections are raised, are prohibited acts, and may be illegal. Sexual acts or contacts between an inmate and a staff member, even when no objections are raised by either party, are always forbidden and illegal. Inmates who have been sexual assaulted by another inmate or staff member will not be prosecuted or disciplined for reporting the assault. However, inmates will be penalized for knowingly filing any false report.

SAFETY DEPARTMENT

The Safety Manager insures that all areas of the camp comply with Safety and Sanitation Standards. The Safety Manager conducts regular inspections with the goal of insuring good safety practices and healthful living conditions.

Upon assignment to a job or detail, each inmate will receive initial training by his Supervisor concerning safe work methods. The training shall include demonstration of safety features and practices. Workers will be trained to recognize the hazards involved in the work place.

Monthly training will be given on safety topics relevant to the work assigned by the Supervisor. The goal of these sessions is heightened safety awareness.

It is your responsibility to use the safety equipment issued to protect against physical injury and/or health hazards. Make certain you have all required personal protection equipment on properly, such as goggles, safety aprons, arm guards, hard hats, and respirators before you begin an operation.

Inmate driver/operator permits are issued by the Associate Warden (Operations) to qualified inmates who are required to operate vehicles or equipment.

You are responsible for cleaning your cubical area. Beds will be made daily; windows and blinds kept clean; cubical dividers dusted and floors cleaned. Excessive paper cannot be maintained in the cube area and at no time can paper or plastic bags be used as trash bags.

If you are injured while performing your assigned duties, you must immediately report such injury to your Supervisor within a maximum of 48 hours. After this time, you may be disqualified from eligibility for lost time wages or compensation.

If you sustain a work injury and still retain some degree of impairment at the time of release, you should contact the Safety Manager 30 days prior to release or transfer to a Community Corrections Center for the purpose of submitting a claim for compensation.

FOOD SERVICE DEPARTMENT

The Food Service Administrator and Food Service Staff are responsible for all aspects of the Camp's Food Service Program.
