Dear Sir or Madam,

Reference is made to notification [2023-058](#) dated 26 May 2023, inviting Parties to the Convention on Biological Diversity to appoint and provide support for a gender and biodiversity focal point for biodiversity negotiations, implementation and monitoring, pursuant to paragraph 7 of [decision 15/11](#).

I wish to thank Parties that have submitted their nominations and invite those that have yet not done so, to submit to the Secretariat ([secretariat@cbd.int](mailto:secretariat@cbd.int)) the name and coordinates of their designated Gender and Biodiversity focal point(s) before **31 August 2024**.

The current list of Gender and Biodiversity Focal Points is available on the Secretariat website at: <https://www.cbd.int/doc/lists/nfp-gender.pdf>.

Gender and Biodiversity Focal Points play an important role in the implementation of the Gender Plan of Action, as well as in the work for integrating human rights and gender equality considerations into national biodiversity strategies and action plans.

I thank you in advance for your cooperation in this matter, and for your continued support to the work of the Convention.

Please accept, Sir, Madam, the assurances of my highest consideration.
