

**BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT**  
CLN 20150609.1

This Clinic Biological Material Procurement Agreement (the "Agreement") is made effective June XX, 2015 (the "Effective Date") by and between **BioMax Procurement Services LLC**, located at **ADDRESS**, ("BioMax"), and **StemExpress LLC** located at 778 Pacific Street, Placerville, CA 95667, ("StemExpress"), individually and collectively referred to as "party" and "parties," respectively.

WHEREAS, StemExpress is a company devoted to providing services related to the procurement of human organs, tissues, and blood for medical research in order to facilitate medical research utilizing those tissues; and

WHEREAS, BioMax is a company also serving the medical research community by providing tissue location and procurement services in order to improve the quality of people's lives;

NOW, THEREFORE, in consideration of the premises and mutual covenants contained in this Agreement, and in order to further their mutual goals, the parties agree as follows:

**1. DEFINITIONS**

- 1.1. The term "Biological Material" means, individually and collectively, Fetal Organ(s), Product of Conception and Maternal Blood, as defined herein.
- 1.2. The term "Fetal Organ" has the same meaning as the term defined in the National Organ Transplant Act (42 U.S.C.A. 274e(c)(1)) and means the human kidney, liver, heart, lung, pancreas, bone marrow, cornea, eye, bone, and skin or any subpart thereof and any other human organ or any subpart thereof, as from a fetus.
- 1.3. The term "Product of Conception" ("POC") means any fetal organ or other fetal or placental material taken from the human uterus during an abortion.
- 1.4. The term "Maternal Blood" means blood samples taken from a pregnant woman.

**2. SERVICES**

- 2.1. BioMax will provide, and StemExpress will pay the reasonable fees for, services associated with the following: the removal of Fetal Organs from POCs; the processing, preservation, quality control, and transportation of the Fetal Organs; obtaining maternal blood; seeking consent for donation of Biological Material from appropriate donors, and; maintaining records of such consents so that verification of consent can be supported. The fees for each Biological Material shall be as listed in Exhibit A, hereto.
- 2.2. Biological Materials provided by BioMax or BioMax affiliates:
  - 2.2.1. will not be derived from any donor with positive results from an infectious disease screen; and,
  - 2.2.2. liver-Fetal Organs will be of a minum volume as provided in Exhibit A and of a quality to be determined through mutual dialogue between the parties during the first four (4) months following the Effective Date. StemExpress will give timely and specific feedback to BioMax regarding the quality of liver-Fetal Organs and BioMax will procure for StemExpress only those fetal-Liver Organs that comply with the mutually developed criteria; thereafter, StemExpress will not be obligated to compensate BioMax for liver-Fetal Organs that are not compliant with the criteria.

**BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT**

CLN 20150609.1

- 2.3. The parties acknowledge they do not know how many donors will consent to donate POCs for research, and thus do not know how many POCs will be obtained pursuant to this Agreement. BioMax is not obligated to provide any minimum number of POCs and StemExpress is not obligated to take any minimum number of POCs nor is StemExpress obligated to take all the POCs made available by BioMax.
- 2.4. Notwithstanding Section 2.2, BioMax will provide to StemExpress all liver-Fetal Organs Biological Materials procured by BioMax that meet the criteria in Exhibit A and StemExpress agrees to acquire from BioMax' all such liver-Fetal Organs under the terms and provisions set forth herein.
- 2.5. Biological Material shall not be used by StemExpress or its clients for purposes of transfusion into humans; the Biological Materials shall be used solely for *in vitro* research purposes, including *in vitro* training or education; *in vitro* equipment or QC testing.
- 2.6. Any Biological Material delivered pursuant to this Agreement is human blood or tissue and may have hazardous properties. StemExpress shall be solely responsible for training its staff in handling and disposal of Biological Material.
- 2.7. StemExpress agrees to use and dispose of the Biological Material in compliance with all applicable statutes and regulations, including but not limited to, those relating to research involving the use of human subjects, CDC Universal Precautions, and biohazard waste disposal.
- 2.8. BioMax or the acting BioMax Affiliate will secure each donor's informed written consent using the IRB-approved informed consent form provided by StemExpress.
- 2.9. With exception of Section 8.9, BioMax makes no representations and extends no warranties of any kind, either expressed or implied. Further, BioMax makes no express or implied warranties of merchantability or fitness for a particular purpose, or that the use of the Biological Material will not infringe any patent, copyright, trademark, or other proprietary rights.
- 2.10. StemExpress will not share or otherwise disclose donor or patient individually identifiable information with its customers or other parties, unless: (1) such disclosure is specified in the service section and with an IRB-approved written donor informed consent or HIPAA authorization, and/ or (2) is allowable or required by law or regulation.
- 2.11. In the event that BioMax obtains donor information that impacts the safety of individuals in the chain of custody of that donor's Biological Material, BioMax shall immediately notify StemExpress using an anonymized donor identifier. As an example, such immediate notification shall be appropriate when BioMax receives or otherwise learns of any donor information indicating an associated Biological Material having any positive test result associated with that Biological Material was accidentally shipped to StemExpress.
- 2.12. BioMax represents it has proper accreditation and licensure from Federal, State and local regulatory agencies to procure, store and convey blood and blood products, as applicable. StemExpress may request, and BioMax shall provide within a timely manner, evidence of such licensure or accreditation. BioMax agrees to maintain its accreditation throughout the term of this agreement. If BioMax's licensure or accreditation is suspended or terminates during the term of this contract, BioMax shall notify StemExpress immediately.

## BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT

CLN 20150609.1

- 2.13. Both parties shall provide timely notification to the other with information it receives from a regulatory or accrediting agency of significant findings such as, but not limited to: FDA 483 Observations; FDA Warning Letters; CLIA/CMS, State or accrediting agency inspection findings; or any significant findings that relate to the quality of services performed or product provided under this Agreement. Additionally, responses by the party to the above observations for findings shall be provided. Timely notification of the following shall occur within two (2) weeks of receipt: FDA Warning Letters; any notice of intent to revoke licensure, or notice of a more serious regulatory or accreditation agency enforcement action.
- 2.14. Any information on donor chart that is obtained from BioMax or a BioMax affiliate shall be privileged and confidential, and StemExpress will treat the information as such in order to preserve the confidentiality of the donors. StemExpress will not receive any information concerning identity of donors except as necessary to obtain donors' consent for use of POCs and maternal bloods. This handling of donor information will always be undertaken in accordance with HIPAA guidelines.

### 3. TERM AND TERMINATION

- 3.1. The term of this Agreement shall be for two (2) year(s) commencing with the Effective Date of this Agreement.
- 3.2. Absent prior notice to the non-terminating party as provided for in this Section, this Agreement shall automatically renew for successive one (1) year periods commencing on the second anniversary of the Effective Date.
- 3.3. Either party may terminate this Agreement without cause upon thirty (30) days written notice.
- 3.4. This Agreement may be terminated by either party immediately for cause upon the occurrence of any one of the following:
  - 3.4.1. An act of fraud or other violation of federal or state law.
  - 3.4.2. Breach of standards and/or procedures resulting in injury to or death of donor.
  - 3.4.3. Loss of licensure/accreditation of either party.
  - 3.4.4. Failure of either party to employ qualified personnel as ascertained by StemExpress and/or to properly train such qualified persons.
  - 3.4.5. Dissolution or transfer of ownership of either party.
  - 3.4.6. Bankruptcy or insolvency of either party.
- 3.5. This Agreement may be terminated by either party upon ten (10) days' written notice of a breach of the general terms and conditions of the Agreement. If the breaching party fails to cure the breach within the 10-day period, this Agreement shall terminate on the eleventh (11<sup>th</sup>) day.
- 3.6. Termination of this Agreement or termination of Services shall not affect the provisions under Sections 5, and 6 hereof, which shall survive any termination.

### 4. PAYMENT & PRICING

- 4.1. BioMax will invoice StemExpress each month for the quantity of compliant Biological Materials sent to StemExpress multiplied by the associated fee in Exhibit A.
- 4.2. StemExpress will pay each invoice within thirty (30) days of invoice receipt. Invoices that are not paid within forty-five (45) days are subject to a service charge of 1% per month (12% per annum) on the outstanding balance.

## BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT

CLN 20150609.1

### 5. CONFIDENTIALITY

- 5.1. The Parties recognize and acknowledge that each Party possesses certain confidential information that constitutes a valuable, special, and unique asset. As used herein, the term "Confidential Information" includes all information and materials belonging to, used by, or in the possession of a Party relating to its products, processes, services, technology, inventions, patents, ideas, contracts, financial information, developments, business strategies, pricing, current and prospective clients and customers, marketing plans, and trade secrets of every kind and character, but shall not include:
  - 5.1.1. Information that was already within the public domain at the time the information is acquired by the receiving Party,
  - 5.1.2. Information that subsequently becomes public through no act or omission of the receiving Party,
  - 5.1.3. Information that is disclosed to the Receiving Party without restriction after the effective date of this Agreement by a third party having a right to make such disclosure, or
  - 5.1.4. Information that is independently developed by either Party, as evidenced by that Party's written records.
- 5.2. Except as otherwise provided in this Agreement, each Party shall maintain the confidentiality of all provisions of this Agreement, including without limitation, the preamble and attachments and the existence of this Agreement between the parties. To assist the parties in identifying and managing Confidential Information, the parties will endeavor to (1) first disclose Confidential Information in tangible form that is conspicuously marked "Confidential," "Proprietary" or the like or (2) first disclose nontangible Confidential Information by orally identifying such as confidential at the time of disclosure and summarizing in tangible form and conspicuously marked as "Confidential" within thirty (30) days of the original disclosure.
- 5.3. BioMax and StemExpress agree that all of the Confidential Information is and shall continue to be the exclusive property of originating Party, whether or not prepared in whole or in part by receiving Party and whether or not disclosed to or entrusted to receiving Party's custody. The Parties agree that they shall not, at any time following the execution of this Agreement, use or disclose in any manner any Confidential Information of the other Party.

### 6. INDEMNITY

- 6.1. Subject to Section 2.9, the parties mutually agree to defend, protect, and hold harmless each other's officers, directors, agents, employees, and consultants from and against any and all expenses, liabilities, demands or claims for loss or damage to property, or for personal injury or death suffered as a result of any actions by the parties in the performance of the Agreement and attributable to the fault or negligence of the parties or their respective officers, directors, agents, employees, or consultants.

### 7. RELATIONSHIP OF PARTIES

- 7.1. Each party's status under this Agreement is an independent entity and neither party nor their employees have authority to bind or act on behalf of the other except as otherwise expressly stated herein.

### 8. MISCELLANEOUS

**BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT**

CLN 20150609.1

- 8.1. Inventions. Any invention(s) conceived, reduced to practice, made or developed by StemExpress as a result of using the Biological Material (“Inventions”) shall be the sole and exclusive property of StemExpress, and BioMax shall have no proprietary or other ownership rights therein. To the extent that all or a portion of any Invention is owned or deemed to be owned by BioMax, the BioMax hereby transfers, grants and assigns any such Invention to StemExpress, and agrees not to challenge the ownership of any such Invention by StemExpress, and the payment being made by StemExpress to BioMax contemplate and provide consideration for such complete transfer, grant and assignment.
- 8.2. Dispute Resolution. If the parties cannot resolve a dispute between them relating to this Agreement or the relationship between the parties after using good faith efforts to resolve the dispute formally, the parties shall submit the dispute to binding arbitration in accordance with the then prevailing Commercial Arbitration Rules of JAMS. The parties shall bear the arbitrator’s fees and expenses equally. Judgment upon the award may be entered and enforced in the appropriate state and federal courts.
- 8.3. Attorneys' Fees. Should either party hereto, or any heir, personal representative, successor or assign of either party hereto, resort to legal proceedings in connection with this Agreement or the relationship between the parties, the party prevailing in such legal proceedings may be entitled, in addition to such other relief as may be granted, to recover its or their reasonable attorneys' fees and costs in such legal proceedings from the non-prevailing party or parties.
- 8.4. Governing Law. This Agreement shall be governed by and interpreted under the laws of the State of California, and venue for any dispute arising hereunder shall be in the County of Sacramento.
- 8.5. Force Majeure. No party shall be liable for any failure to perform its obligations in connection with any action described in this Agreement, if such failure results from any act of God, riot, war, civil unrest, flood, earthquake, or other cause beyond such party’s reasonable control (including any mechanical, electronic, or communications failure, but excluding failure caused by a party’s financial condition or negligence).
- 8.6. Ambiguities. Each party has participated fully in the review and revision of this Agreement. Any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not apply in interpreting this Agreement. The language in this Agreement shall be interpreted as to its fair meaning and not strictly for or against any party.
- 8.7. Assignment. This Agreement shall not be assigned by either Party in whole or in part, and no Party shall delegate or subcontract any or part of its responsibilities under this Agreement without the prior written consent of the other Party; provided, however, either party may assign this Agreement without such consent pursuant to a merger or acquisition of a controlling interest in the assigning party. Any permitted assignee shall assume all obligations of its assignor under this Agreement. No assignment shall relieve any party of responsibility for the performance of any accrued obligation, which such party then has hereunder.
- 8.8. Insurance. StemExpress and BioMax agree to maintain and keep in full force and effect during the entire term of this Agreement, at their own expense and cost, professional liability insurance and comprehensive general liability insurance, or an equivalent program of self-insurance, covering the activities contemplated under this Agreement, in the minimum amount of one million dollars (\$1,000,000) per incident and at least three million dollars (\$3,000,000) aggregate.

**BIOLOGICAL MATERIAL PROCUREMENT AGREEMENT**

CLN 20150609.1

- 8.9. Warranty. BioMax warrants that it has the legal right to provide the Biological Material to StemExpress. Each party warrants and represents that the terms of this Agreement are not inconsistent with other contractual and/or legal obligations it may have.
- 8.10. Publicity. Neither party shall disclose the terms of this Agreement or use the name of the other party in any publicity, advertising or information disseminated to the general public without the prior written approval of the other party.
- 8.11. Amendment. This Agreement may be amended only by a writing signed by a duly authorized representative of both parties.
- 8.12. Severability. If any term, provision, covenant or condition of this Agreement, or the application thereof to any person, place or circumstance, shall be held to be invalid, unenforceable or void, the remainder of this Agreement and such term, provision, covenant or condition as applied to other persons, places and circumstances shall remain in full force and effect.
- 8.13. Construction. The headings and captions of this Agreement are provided for convenience only and are intended to have no effect in construing or interpreting this Agreement. The language in all parts of this Agreement shall be in all cases construed according to its fair meaning and not strictly for or against either party.
- 8.14. Rights Cumulative. The rights and remedies provided by this Agreement are cumulative, and the exercise of any right or remedy by either party hereto (or by its successor), whether pursuant to this Agreement, to any other agreement, or to law, may not preclude or waive its right to exercise any or all other rights and remedies.
- 8.15. Non-waiver. No failure or neglect of either party hereto in any instance to exercise any right, power or privilege hereunder or under law shall constitute a waiver of any other right, power or privilege or of the same right, power or privilege in any other instance. All waivers by either party hereto must be contained in a written instrument signed by the party to be charged and, in the case of StemExpress, by an officer of StemExpress or other person duly authorized by StemExpress.
- 8.16. Remedy for Breach. The parties hereto agree that, in the event of breach or threatened breach of any covenants, the damage or imminent damage to the value and the goodwill of the aggrieved party may be inestimable, and that therefore any remedy at law or in damages may be inadequate. Accordingly, the parties hereto agree that the aggrieved party may be entitled to injunctive relief in the event of any breach or threatened breach of any of such provisions by the breaching party, in addition to any other relief (including damages) available to the aggrieved party under this Agreement or under law.
- 8.17. Notices. Any notice, request, consent or approval required or permitted to be given under this Agreement or pursuant to law shall be sufficient if in writing, and if and when sent by certified or registered mail, with postage prepaid, or by facsimile or electronic mail with confirmed answer-back, to appropriate party's principal office, as noted below).

**Exhibit A**  
**BIOLOGICAL MATERIALS, FEES & PROCUREMENT GUIDELINES**

BioMax will provide to StemExpress Biological Materials for *in vitro* investigational use as provided in that certain Clinic Biological Materials Procurement Agreement, to which this Exhibit is incorporated in its entirety.

1. BIOLOGICAL MATERIALS & FEES

Biological Material	Description	Fee (USD)
Fetal Live + Peripheral Blood	Collection of 5cc or more of fetal liver tissue and three (3) tubes maternal peripheral blood (collection tubes supplied by StemExpress**)	\$XXX.XX
Fetal Live + Thymus + Peripheral Blood	Collection of fetal liver (5cc) <i>and</i> thymus from the same POC <i>and</i> three (3) tubes maternal peripheral blood (collection tubes supplied by StemExpress**)	\$XXX.XX
Other Biological Materials *	Collection of other fetal tissues as requested by StemExpress with three (3) tubes maternal peripheral blood (collection tubes supplied by StemExpress**)	TBD per Donor Request

\* Availability and supply of such other tissues to be agreed upon in advance by StemExpress and BioMax.

\*\* StemExpress will provide BioMax with POC collection kits, at no cost to BioMax, which will include:

- a. Conical tubes and media for tissue storage
- b. Blood collection kit and tubes
- c. Researcher Procurement Form
- d. IRB patient consent form
- e. Packaging materials
- f. Detailed written instructions
- g. StemExpress pre-printed label with courier account information
