LR53-CR00-00317 COMMUNITY ALTERNATIVE SUPERVISION PROGRAM (CASP) PROCEDURES

Updated 10/10/2022

The Court, noting that participation in the Community Alternative Supervision Program (CASP), including the Home Detention Program component, is contingent upon offender compliance with program rules and regulations, finds:

Pursuant to I.C. 35-38-2.5-5, program participants must have a working telephone, cellular telephone, or other wireless or cellular communications device in their home to be eligible for Home Detention. If the participant does not have a working telephone and/or a long distance carrier, cellular telephone, or other wireless or cellular communications device, the Court ORDERS that the participant shall be placed on CASP Day Reporting *without credit time* until working telephone service, cellular telephone, or other wireless or cellular communications device can be verified; or until an electronic monitoring cellular or GPS unit can be utilized for a non-violent offender with the participant paying the additional enhanced electronic monitoring daily fee.

A maximum of two (2) weeks from CASP/Home Detention Intake will be allowed for offenders to meet program guidelines for acceptance in CASP (including securing a working telephone, long

distance carrier, cellular telephone, or other wireless or cellular communications device). Upon program staff verification of offender meeting program guidelines for acceptance in CASP (including securing a working telephone, cellular telephone, or other wireless or cellular communications device), the participant will begin Home Detention by the next business day if possible.

FAILURE TO MEET ELIGIBILITY GUIDELINES FOR CASP/HOME DETENTION PROGRAM

Program eligibility shall be determined by program staff prior to admitting participants to any level of CASP. If the participant is not eligible per prohibition by statute (excluding telephone cellular telephone, or other wireless or cellular communications device provision), the Court shall be notified immediately via e- filed memorandum by the supervising probation officer and the participant will not be placed on the program until or unless statutory prohibitions are remedied.

If offender does not meet program guidelines for CASP/Home Detention (including telephone service, cellular telephone, or other wireless or cellular communications device, and suitable housing) within two weeks (14 days) of the CASP/Home Detention Intake appointment, program staff shall file a memorandum with the Court, advising the Court of the participant's status. If the offender in question cannot be located by program staff, the supervising probation officer shall file a Notice of Noncompliance with the Court requesting a warrant. If the offender in question is on the Day Reporting Program, program staff may bring the offender to the Duty Judge/Court to advise the Court of the offender's failure to meet program guidelines for CASP within 14 days of the CASP/Home Detention Intake.

Once advised of the offender's failure to meet program eligibility guidelines for CASP/Home Detention, the Court may:

- (1) Order the defendant to be taken into custody to serve the executed portion of sentence.
- (2) Order the defendant to be taken into custody with a status hearing to be held; or
- (3) Order the defendant to have 14 additional days on Day Reporting in order to attain eligibility.

EMPLOYMENT ASSISTANCE

CASP, including the Home Detention component, is designed to provide immediate employment assistance for unemployed offenders/participants, therefore being unemployed will not delay the commencement of program participation. The supervising probation officer may place unemployed participants on CASP Home Detention with Day Reporting which requires clients to report to the Community Corrections office daily, Monday through Friday. Program staff shall verify participants' active job search.

CASP AS CONDITION OF BOND OR PRETRIAL RELEASE

If the defendant is being referred to CASP as a condition of bond and/or pretrial release, the Court should retain the defendant in the Monroe County Jail until notified that program staff has completed screening and that the defendant meets program eligibility. This initial screening process will be conducted by program staff within 2 to 4 business days of request by the Court.

SEX OFFENDERS AND VIOLENT OFFENDERS

Pursuant to IC 35-38-2.5 a person placed on Home Detention who is deemed as a violent offender or sex offender shall be placed on GPS electronic monitoring. If the participant is a violent offender or sex offender, the supervising probation officer shall identify the participant as such in the Probation Department case management databases. The violent offender or sex offender shall also be specifically identified on the Community Corrections field officer's log sheet and also on the report sent to law enforcement agencies, which lists all Monroe County Home Detention participants.

Notification on possible GPS violations from the electronic monitoring equipment vendor will be investigated by Community Corrections staff. If a violation is verified, Community Corrections staff will take appropriate action using progressive sanctions up to and including requesting a warrant from the Court. If a warrant is requested and subsequently ordered by the Court and the defendant's location is known, Community Corrections staff will contact Monroe County Central Dispatch to request that the warrant be served.

DELEGATED AUTHORITY

The Monroe Circuit Court Board of Judges has delegated authority to CASP probation officers to authorize Home Detention participants to earn errand time, to be scheduled for personal errands (grocery shopping, haircuts, etc.). CASP probation officers may also grant Home Detention participants, except for persons with pending violation(s) of community supervision, earned pro-social time as an incentive after achieving at least 30 days of program compliance, including adhering to payment schedule, for approved pro-social activities at a specified location (such as attending a child's school/athletic event, family event or exercising at a fitness center) at the discretion of the Probation Department. The combined earned errand time and earned pro-social time may not exceed six (6) hours per week unless specifically approved in advance by the Court.

The Board of Judges delegates the terms of placement in Community Corrections to the Community Corrections Director and permits the director to change the terms of placement or reassign a person in CASP. Participants may be placed on GPS, alcohol-detect electronic monitoring enhancements or other conditions with the director's approval. Participants will be responsible for paying applicable adjustments to user fees for added services.

This Order applies to persons sentenced to or released as a condition of bond to CASP Home Detention.

- B. Any Monroe Circuit Court Judge may initiate a transfer request for a defendant to be evaluated for admission to a Problem Solving Court Program component.
- C. A transfer is deemed approved only if both the sending and receiving Courts approve the transfer request by the issuance of a Court Order.
- D. Monroe County Problem Solving Courts will abide by rules as stated in Section 26 (c) of Indiana's Problem Solving Court Rules.
- E. Any of the Monroe Circuit Court Problem Solving Court Teams may initiate a transfer request to transfer a participant from one Monroe County Problem Solving Court Program component to another program component when a determination had been made by the Team that a participant may be more appropriate for another problem-solving court model. A transfer is deemed approved only if both the sending and receiving Problem Solving Courts approve the transfer request by the issuance of a Court Order.
- F. Monroe County may initiate or accept transfers of individuals between other Indiana Problem Solving Court (PSC) Programs. Transfers from a Monroe County Problem Solving Court Program component to another Indiana Problem Solving Court Program will be made in writing if the individual is found to be formally eligible for PSC by the respective PSC Team. Likewise, only individuals who have been found eligible for the referring county PSC will be considered by Monroe County's PSC Program.
- G. A PSC transfer-in received from another county shall be for the purposes of supervision and PSC participation only, including intermittent sanctioning authority. Transfers in and out of the county must be accompanied by the respective county's eligibility determination, accompanying assessment, and other collateral information. Monroe County PSC shall send the individual's court case back to the sending county when the PSC participant has completed all of the Monroe County PSC's participation requirements or has been terminated from the program.

- I. A \$25 transfer fee may be charged to individuals transferring into or out of a Problem Solving Court Program.

LR53-CR00-0319 PROBLEM SOLVING COURT CASE PROCESSING PROCEDURES

- A. PROSECUTOR - Screens all new felony cases/filings for Problem Solving Court Program eligibility. Cases deemed Problem Solving Court Eligible are flagged by the Prosecutor on the charging information.

- B. CLERK - Assigns a random cause number to the case.

- C. INITIAL HEARING HELD WITH DUTY JUDGE - At Initial Hearing (IH), Prosecutor and/or Court Reporter notifies Duty Judge that case is Problem Solving Court eligible. Duty Judge orders Defendant when to appear for Problem Solving Court observation.

- D. ENTRY IN COURT RECORD - Court Reporter makes IH Chronological Case Summary (CCS) entry which states: “Defendant is to appear before Presiding Judge of Problem Solving Court on the date/time of the next Problem Solving Court session, for Problem Solving Court observation.”

- E. PROBLEM SOLVING COURT OBSERVATION AND ELIGIBILITY DETERMINATION STEPS:
 1. Problem Solving Court (PSC) Observation - The Defendant appears for Problem Solving Court (PSC) observation the week following the Initial Hearing. At this first PSC observation, the Defendant observes a full session of PSC.

 2. Problem Solving Orientation Session - After the observation, the PSC Director directs the Defendant to appear in the Probation Department for a Problem Solving Orientation Session and directs the Defendant to attend the weekly Problem Solving Court session until the Defendant is accepted/opt's out/rejected from further consideration for the program.

If the Defendant is in jail, the Director notifies the Defendant a video conference will be scheduled for the PSC Orientation and that the Defendant will be brought to court down to observe weekly PSC sessions until the Defendant is accepted/opt's out/rejected from further consideration for the program.

Problem Solving Court Program staff members conduct the PSC Orientation, explaining all of the rules and expectations of the PSC Program. The Defendant is told that he/she will

need to be prepared to tell the Court whether or not he/she is willing to proceed with a PSC evaluation when he/she appears for the next PSC observation.

The Defendant is given a PSC come-back date to observe PSC the week following the Orientation.

3. Ineligible and Opt Out - At any time following the PSC observation, if the Defendant either chooses to not participate in the PSC or the Defendant is found to be ineligible for participation, the Defendant will be referred back to the originally assigned Court for the scheduled Pre-trial Conference.
4. Next PSC Observation – At the next week’s PSC observation, the PSC Director asks the Defendant if he/she is willing to proceed with a PSC evaluation. If the Defendant is not willing to proceed further, the PSC Director directs the Defendant to appear at the scheduled Pre-trial Conference in the originally assigned court. If the Defendant is willing to continue with the PSC assessment process, he/she is given an appointment/video conference time to meet with a PSC Case Manager for a PSC evaluation at a later date. Also, Defendants with private attorneys are directed to meet with their attorneys and discuss the option of PSC participation. The Defendant is then given a PSC come-back date for approximately two (2) – three (3) weeks later for the Change of Plea Hearing in the PSC.
5. Assessment and Evaluation - The PSC PO conducts the PSC assessment within 1-2 weeks following the PSC initial observation. At this assessment, the PSC PO schedules an evaluation appointment for the Defendant with the treatment provider, typically within 1 – 2 weeks following the PSC assessment. The PSC PO conducts a record/background check and prepares a report that closely resembles a Presentence Investigation Report with added emphasis on the substance use evaluation section.
6. Reports - Prior to the Change of Plea Hearing, the PSC PO completes an evaluation report (*Problem Solving Court Recommendation Report*) and provides this report to the Judge and the PSC Team. Additionally, the treatment provider completes the treatment report, with recommended course of treatment outlined, and provides this report to the PSC PO.
7. PSC Change of Plea Hearing – Defendant appears for PSC Change of Plea Hearing. If Defendant is not admitted to the PSC, he/she is directed to report for the scheduled Pre-trial Conference in the originally assigned Court. If Defendant is found to be eligible and is willing to participate in the PSC Program, a Change of Plea hearing is held.

The offender enters into a Problem Solving Court Agreement, agreeing to plead guilty to the offense. The State agrees to allow the Court to defer sentencing based on the offender’s successful completion of the PSC Program.

The PSC Court Reporter will notify the originally assigned Court of the Defendant’s acceptance into the PSC Program through the issuance of an Entry of a Plea of Guilty, and the PSC Court Reporter sends a copy to the Clerk.

The Court Reporter of the originally assigned Court records the transfer in the CSS. The originally assigned Court will vacate any upcoming hearings and transfer all pending criminal cases on that Defendant to the PSC.

8. Completion of Program - If the offender successfully completes the PSC Program, the case is dismissed with no conviction or adjudication entered.

If the offender is terminated unsuccessfully from the PSC Program, the PSC PO files a Petition to Terminate, and the Court sets up an IH for the Petition to Terminate. If the Defendant admits to the petition, the Court proceeds directly to sentencing. If the Defendant denies petition, the Court sets it for an evidentiary hearing.

LR53-FL00-0409 CHILDREN IN FAMILY LAW CASES

Updated 10/10/2022

A. The best interest of minor children of parents involved in dissolution and paternity proceedings will be served by requiring parental participation in parent education classes that have some scientific evidence of program benefit to the family beyond party reports of satisfaction with the class. As the research in this area is evolving, this rule shall be updated periodically as the Court receives additional or updated scientific evidence about programs that fulfill this requirement.

B. The currently approved parent education classes are (in no particular order):

1. New Beginnings

<https://divorceandparenting.com/>

2. Children in Between

<https://online.divorce-education.com/>

3. Two Families Now

<https://www.twofamiliesnow.com/>

C. Required Participation: Both parents in initial dissolution cases and initial juvenile paternity cases involving children under the age of 18 years shall participate in one of the above parent education classes prior to the Court approving any agreement or issuing an order. The parents shall take the same class. They shall confer and agree on which class they will take. If they cannot agree, the parents may submit the issue to the Court for a decision.

D. Fees. Each parent is responsible for any fee for that parent's education class, though an allowance for an indigent fee waiver may be available from each provider.

- E. Resources in Cases Involving Risk to Child Safety. If either party alleges that parenting time presents a risk to the physical safety or emotional endangerment of the child, the parties may request the appointment of, or the Court may on its own motion appoint, a Guardian ad Litem or Custody Evaluator. The request shall contain the availability, name, address, and phone number of the recommended professional and the cost of services, and how the party proposes that costs will be divided. Parties of limited means may request a Civil Investigation to be conducted by a juvenile probation officer.

Updated 7-1-2020

- A. Financial Inventory. The Financial Inventory, at Appendix E, can be used by almost all self-represented litigants and is designed to be easy-to use. If the litigant is not eligible to use the Inventory per the questions on the front page of the Inventory, that litigant shall use the Financial Declaration.
- B. Financial Declaration. The Financial Declaration, at Appendix F, is designed to be complete and thorough for all financial situations.
- C. Required Exchange: In a dissolution of marriage or legal separation case, both parties must complete one of the Financial Inventory or Financial Declaration attached at Appendix E and F and shall exchange at least seven (7) days prior to any mediation or final hearing. Additionally, either party may request completion through discovery, and discovery deadlines would apply. The State of Indiana, when it is a party for child support purposes, is exempted from this requirement. No court order for such exchange shall be required.
- D. Waiver: The parties may waive the exchange of the Inventory or Declaration as part of an agreement. If the parties have a final hearing, they may not waive the exchange.
- E. Required Exhibit: The parties shall each bring their Inventory or Declaration as an exhibit to the final hearing.
- F. Supporting Documents. For the purpose of providing a full and complete verification of assets, liabilities, and values, at the time of the initial exchange, each party shall attach the supporting information that is reasonably available. "Reasonably available" means material that may be obtained by letter accompanied with an authorization, but does not mean material that must be subpoenaed, or is in the possession of the other party. Appraisals of real estate and pensions, or of personal property such as jewelry, antiques, or special collections (i.e., stamps, coins, or guns), are not required. However, once an appraisal is obtained, it must be exchanged. Any language in these rules referring to the Inventory or Declaration means the form itself AND all supporting documents.

G. Updates: If, after a party has exchanged a verified Inventory or Declaration, that party discovers information not previously exchanged, that party shall A) informally provide such updates to the other party as quickly as feasible and B) provide an updated and verified form as soon thereafter as practical to the other party.

H. Admissibility:

1. An exchange of the Inventory or Declaration between the parties prior to filing the document in court represents negotiations.
2. Unless a party makes a specific objection to the admission of the other party's completed Financial Inventory or Declaration, it shall be admitted into evidence. Any objection shall be made only to that part of the other party's completed Financial Inventory or Declaration that is deemed objectionable and not to the entire completed Inventory or Declaration. A party does not waive the right to challenge the accuracy of the other party's completed Inventory or Declaration by failing to object to its admissibility.

I. Mandatory Discovery: The exchange of the Inventory constitutes mandatory discovery; thus, Indiana Trial Rule 37 sanctions may apply. Additionally, pursuant to Indiana Trial Rule 26(E)(2) and (3), the form must be supplemented if additional material becomes available.

J. Confidentiality: Financial Inventories and Declarations may be withdrawn by the parties at the conclusion of the case with the agreement of all parties and the approval for the judge presiding in the case. Financial Inventories and Declarations and any supporting documents shall be maintained as confidential documents pursuant to Access to Court Records 5.

LR53-PR00-0810 UNSUPERVISED ADMINISTRATION

- A. Statutory Requirements. A petition for administration without court supervision may be granted if the requirements of Indiana Code 29-1-7.5-2(a)(4) are met, and there is compliance of all other requirements of Indiana Code 29-1-7.5-2(a).
- B. Costs and Claims Paid. All court costs shall be paid, and all claims satisfied and released on or before the date of the filing of the closing affidavit, and a Clerk's certification thereof (see [Appendix A](#)) shall be filed with the court at the time such closing affidavit is filed with the court evidencing payment of court costs and all claims have been filed.

LR53-GU00-0800 GUARDIANSHIPS

Updated 10/10/2022

- A. **Physician's Report.** In all guardianship proceedings seeking to declare an adult incapacitated, a Physician's Report by the doctor treating the alleged incapacitated person, or such additional evidence as the Court may require, shall be presented to the Court at the time the petition is filed or on the date of the hearing. The Physician's Report shall substantially comply with [GUARDIANSHIP FORM A](#). No determination will be made without a supporting medical report or testimony at hearing. In the event the guardianship proceeding is contested, the Physician's Report shall be considered as hearsay unless the parties stipulate to its admissibility.

- B. **Guardian's Information Sheet.** A Guardian's Information Sheet must be completed and filed with any petition seeking to establish a temporary or permanent guardianship or a protective order pursuant to I.C. § 29-1-3-4 et. seq., as amended. The Court will not act upon the petition until the Guardian's Information Sheet is completed and filed. The Guardian's Information Sheet must be filed in compliance with Indiana Trial Rule 5(G) and the Indiana Rules on Access to Court Records, Rule 5. (SEE [GUARDIANSHIP FORM B](#)).

- C. **Court's Instructions to the Guardian.** In all guardianship matters, the Court's Instructions to the Guardian, executed by the Guardian, must be filed with the Court prior to Court appointment and issuance of letters. These Instructions are to be considered as direct Orders of the Court. Instructions to Guardian when the guardianship will be of the person only (SEE [GUARDIANSHIP FORM C](#)) or when the guardianship will apply to the minor's or incapacitated adult's property (SEE [GUARDIANSHIP FORM D](#)) must be completed and filed with the Court. If the Guardian will be appointed over both the person and estate, both sets of Court's Instructions to the Guardian must be completed and filed with the Court. No substitute form will be accepted by the Court.

- D. **Presence of the Alleged Incapacitated Person.** In all guardianship or protective proceedings seeking to declare an adult incapacitated, either the person alleged to be incapacitated shall be present at the hearing, or the petitioner shall present sufficient medical evidence to establish that a court appearance would result in injury to the person's health or safety. An opinion that the person would have difficulty in understanding the procedure or might say something inappropriate is not sufficient reason alone for their absence.

- E. **Notice.** Consistent with I.C. § 29-3-3-4(a) and (b), no guardian of an adult shall be appointed, or protective order entered without notice to the alleged incapacitated person or to his duly appointed attorney-in-fact (if known), except upon verified allegations that delay may result in immediate and irreparable injury to the alleged incapacitated person or loss or damage to property. The petitioner shall certify to the Court in writing the efforts, if any, that have been made to give notice and the reasons supporting the petitioner's claim that advance notice should not be required.

F. Hearings. Hearing shall be scheduled by the Court on any petition seeking guardianship over an adult alleged to be an incapacitated person. Hearings shall be held on any petition seeking a guardianship over a child unless the guardianship is being established for school purposes only.

If the guardianship is being established for school purposes only, the Court may waive the necessity of a hearing.

In all wrongful death proceedings, the Guardian must be present at the time the settlement, either partial and/or final, is presented to the Court for approval. The Court retains the right to require the presence of the minor, incapacitated person, or a Custodial parent at the time the settlement is presented to the Court for approval.

G. Appointment of Guardian Ad Litem or Attorney. The Court may in its discretion determine that the alleged incapacitated person should have a guardian ad litem or attorney appointed to represent his or her interests, and the hearing for appointment of a guardian for the alleged incapacitated person may be continued by the Court for that purpose. A guardian ad litem will be paid reasonable compensation, considering the needs of the alleged incompetent person, the nature and relative difficulty of the services provided, local custom, the availability, or limitations of resources of the alleged incompetent person's estate, and, in the discretion of the Court, any other considerations deemed relevant under the circumstances of the case.

H. Power of Attorney. An appointment of a guardian over an estate shall not operate to terminate a power of attorney unless the power of attorney instrument provides for termination upon the incapacity of the principal. A guardian shall not have power over property or health decisions that are subject to a valid power of attorney and cannot revoke or amend a power of attorney on behalf of a principal. A guardian seeking to revoke a valid power of attorney must obtain Court approval which can be granted only after hearing and notice to the attorney in fact.

I. Bond Premium Payment. If a guardian's bond is required, the guardian of the incapacitated person shall submit to the Court proof of payment of current premiums due on said bond. Failure to comply with this section may result in removal of the guardian.

J. Reports. The guardian of the incapacitated person shall file reports concerning the incapacitated person biennially or at such other times as ordered by the Court. The reports filed by a guardian of the person shall state the present residence of the incapacitated person and a statement of the incapacitated person's current condition and general welfare. If the incapacitated person is an adult, a report of a treating physician shall be filed with the current report verifying that the incapacity of the person remains unchanged since the date the guardianship was established or the date of the last current report.

K. Restricted Accounts.

1. In guardianships over the estate of a minor, unless otherwise authorized by the Court, funds shall be placed in a federally insured financial institution or in a brokerage account (or any combination of the two). The monies shall be placed in restricted account(s) designating that no principal or interest may be withdrawn without written order of the Court.

2. Prior to the issuance of letters in a guardianship over a minor's estate or the compromise of a minor's claim, the guardian and attorney shall execute the Court's attorney's undertaking making the attorney personally responsible for the deposit of the funds in a restricted account.
 3. Within thirty (30) days after the Order authorizing the creation of the account, a certification that a properly restricted account has been created shall be filed. The certification shall be substantially in accordance with the [GUARDIANSHIP FORM E](#).
 4. The guardian and the financial institution and/or brokerage shall both promptly notify the Court in writing in the event that any principal or interest is withdrawn from the account without Court authorization.
- L. Rules of the Veteran's Administration. Nothing contained in these rules shall amend or supersede the Probate Rules and Regulations promulgated by the Veteran's Administration of the United States, and every guardian appointed by the Court or the attorney for such guardian shall comply with those Rules and Regulations, if applicable.
