<p><i>MARRIED AT THIRTY MILES AN HOUR. -Dallas, Tex. Feb. 25. -J. B. Sawyer, aged 81 years, a widely known and well preserved character of Denton, was married to Mrs. Jennie B. Wagenhal, aged 45, yesterday. Mr. Sawyer, eccentric in all things, said that when he married he had to be going at the rate of 30 miles an hour. He accordingly got his bride, the license and County Judge Bradley of Denton county and boarded this train bound for Dallas. The conductor was told what rate of speed was desired, and that official conferred with the engineer. Mr. Sawyer got out his watch and counted the clicks of the rails, and when the train got to sailing along at the proper speed he took bride by the hand and stood up in the aisle and Judge Bradly performed the ceremony. Everybody on the train congratulated the couple, the train crew in particular, as the groom is an old locomotive engineer. Mr. and Mrs. Sawyer came to Dallas and took in the theater tonight. They will return to Denton tomorrow. -The Daily Herald (Brownsville, Tex), March 1, 1893.</i></p>
