

## Letters to Santa: Transcribed from the Denton Record Chronicle (1909-1923)

Letters from Denton's children to Santa were published yearly in the Denton Record Chronicle. In addition to the simple list of items they wished for, the letters include a glimpse into their personal lives and into the community concerns of the time both local and world-wide. This project was started by retired Librarian, Kathy Strauss, and completed by Ethan Seal as his Eagle Scout project.
