

NDA Compliance Statement

EarthCam, Inc. is pleased to affirm that our entire product portfolio, which includes solutions marketed to the US government, Department of Defense (DoD) and associated contractors and affiliates, is fully NDA-compliant.

Furthermore, EarthCam, Inc. does not employ any SoC (System on Chip), telecommunications equipment or other components capable of processing software, from the banned Chinese companies outlined in the John S. McCain National Defense Authorization Act (NDAA) for Fiscal Year 2019 that was signed into law on August 13, 2018. All EarthCam products use NDA-compliant chipsets.

For more information, regarding a more detailed bill of materials declaration of NDA compliance required for a specific proposal, procurement, or contract assurances, please contact:
