## Decision by the Danish Data Protection Agency approving Binding Corporate Rules of DSV Group

The Danish Data Protection Agency,

Pursuant to the request by Bech Bruun Advokatpartnerselskab on behalf of the DSV group, received on 23 March 2018, for approval of their binding corporate rules for controller;

Having regard to Articles 47, 57 and 64 of the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (General Data Protection Regulation or GDPR); Having regard to the CJEU decision Data Protection Commissioner Maximillian Schrems and Facebook Ireland Ltd, C-311/18 of 16 July 2020;

Having regard to EDPB Recommendations 01/2020 on measures that supplement transfer tools to ensure compliance with the EU level of protection of personal data of 18 June 2021;  
Makes the following observations:

1. Article 47(1) of the EU General Data Protection Regulation 2016/679 (GDPR), provides that the Danish Data Protection Agency shall approve Binding Corporate Rules (BCRs) provided that they meet the requirements set out under this Article.
2. The implementation and adoption of BCRs by a group of undertakings is intended to provide guarantees to controllers and processors established in the EU as to the protection of personal data that apply uniformly in all third countries and, consequently, independently of the level of protection guaranteed in each third country.
3. Before carrying out any transfer of personal data on the basis of the BCRs to one of the members of the group, it is the responsibility of any data exporter in a Member State, if needed with the help of the data importer, to assess whether the level of protection required by EU law is respected in the third country of destination in the case of the specific data transfer, including onward transfer situations. This assessment has to be conducted in order to determine whether any legislation or practices of the third country applicable to the to-be-transferred data may impinge on the data importer's and/or the data exporter's ability to comply with their commitments taken in the BCR, taking into account the circumstances surrounding the transfer. In case of such possible impingement, the data exporter in a Member State, if needed with the help of the data importer, should assess whether it can provide supplementary measures in order to exclude such impingement and therefore to nevertheless ensure, for the envisaged transfer at hand, an essentially equivalent level of protection as provided in the EU. Deploying such supplementary measures is the responsibility of the

data exporter and remains its responsibility even after approval of the BCRs by the competent Supervisory Authority and as such, they are not assessed by the competent Supervisory Authority as part of the approval process of the BCRs

4. In any case, where the data exporter in a Member State is not able to implement supplementary measures necessary to ensure an essentially equivalent level of protection as provided in the EU, personal data cannot be lawfully transferred to a third country under these BCRs. In the same vein, where the data exporter is made aware of any changes in the relevant third country legislation that undermine the level of data protection required by EU law, the data exporter is required to suspend or end the transfer of personal data at stake to the concerned third countries.
5. In accordance with the cooperation procedure as set out in the Working Document WP263 rev01<sup>1</sup>, the Controller BCRs application of DSV Group was reviewed by the Danish Data Protection Agency, as the competent supervisory authority for the BCRs (BCR Lead) and by two Supervisory Authorities (SA) acting as co-reviewers. The application was also reviewed by the concerned SAs to which the BCRs were communicated as part of the cooperation procedure.
6. The review concluded that the Controller BCRs of DSV Group comply with the requirements set out by Article 47(1) of the GDPR as well as the Working Document WP256 rev01<sup>2</sup> and in particular that the aforementioned BCRs:
  - i) Are legally binding and contain a clear duty for each participating member of the Group including their employees to respect the BCRs by entering in an Intra-Group Agreement (see Annex 1 “BCR Policy”, section 2 and Annex 2, Appendix 2 “Agreement regarding processing and transfer of Personal Data under DSV’s BCR”);
  - ii) Expressly confer enforceable third-party beneficiary rights to data subjects with regard to the processing of their personal data as part of the BCRs (Annex 1 “BCR Policy”, section 20);
  - iii) Fulfil the requirements laid down in Article 47(2) of the GDPR:
    - a) The structure and contact details of the group of undertakings and each of its members are described in the Application form WP264 that was provided as part of the file review and Annex 1, Appendix 2 “Overview active legal entities – April 2022” and Annex 2, Appendix 3 “Overview active legal entities – April 2022”;
    - b) the data transfers or set of transfers, including the categories of personal data, the type of processing and its purposes, the type of data subjects affected and the identification of the third country or countries in question are specified in Annex 1 “BCR Policy”, section 2, Annex 1, Appendix 1 “Categories of Personal Data”, Annex 1, Appendix 2 “Overview active legal entities – April 2022” and Annex 2, Appendix 3 “Overview active legal entities – April 2022”;
    - c) the legally binding nature, both internally and externally, of the Controller BCRs is recognized in “Standard Application for Approval of Controller Binding Corporate Rules for the Transfer of Personal Data”, section 4 and “Agreement regarding processing and transfer of Personal Data under DSV’s BCR”;
    - d) the application of the general data protection principles, in particular purpose limitation, data minimisation, limited storage periods, data quality, data protection by design and by default, legal basis for pro-

- f) the acceptance by the controller or processor established on the territory of a Member State of its liability for any breaches of the binding corporate rules by any member concerned not established in the Union as well as the exemption from that liability, in whole or in part, only if the concerned party proves that that member is not responsible for the event giving rise to the damage are specified in Annex 1 “BCR Policy”, section 21;
- g) how the information on the binding corporate rules, in particular on the provisions referred to in points (d), (e) and (f) of Article 47.2 of the GDPR are provided to the data subjects in addition to Articles 13 and 14 of the GDPR, is specified in Appendix 1, section 9;
- h) the tasks of any data protection officer designated in accordance with Article 37 of the GDPR or any other person or entity in charge of monitoring the compliance with the binding corporate rules within the group of undertakings, or group of enterprises engaged in a joint economic activity, as well as monitoring training and complaint-handling are detailed in Annex 1 “BCR Policy”, section 17.3;
- i) the complaint procedures are specified in Annex 1 “BCR Policy”, section 19;
- j) the mechanisms put in place within the group of undertakings for ensuring the monitoring of compliance with the binding corporate rules are detailed in Annex 1 “BCR Policy”, section 17. Such mechanisms include data protection audits and methods for ensuring corrective actions to protect the rights of the data subject. The results of such monitoring are communicated to the person or the entity referred to in point (h) above and to the board of the controlling undertaking of the group of undertakings (in this situation to DSV Group headquarters, as well as to the data privacy organization) and are available upon request to the competent supervisory authority;

The obligation to make available to the supervisory authority the results of the monitoring of the measures referred to in point (j) above is specified in Annex 1, Appendix 4 “Internal Audit Charter”;

- m) the mechanisms for reporting to the competent supervisory authority any legal requirements to which a member of the group of undertakings is subject in a third country which are likely to have a substantial adverse effect on the guarantees provided by the binding corporate rules are described in Annex 1 “BCR Policy”, section 18.5;
  - n) finally, provide for an appropriate data protection training to personnel having permanent or regular access to personal data (see Annex 1, Appendix 3 “Description of DSV BCR training”).
7. The EDPB provided its opinion 29/2022 in accordance with Article 64(1)(f) of the GDPR. The Danish Data Protection Agency took utmost account of this opinion.

#### DECIDES AS FOLLOWING:

1. The **Danish Data Protection Agency** approves the Controller BCRs of DSV Group as providing appropriate safeguards for the transfer of personal data in accordance with Article 46(1) and (2) (b) and Article 47(1) and (2) GDPR. For the avoidance of doubt, the **Danish Data Protection Agency** recalls that the approval of BCRs does not entail the approval of specific transfers of personal data to be carried out on the basis of the BCRs. Accordingly, the approval of BCRs may not be construed as the approval of transfers to third countries included in the BCRs for which, an essentially equivalent level of protection to that guaranteed within the EU cannot be ensured.
2. The approved BCRs will not require any specific authorization from the concerned SAs.
3. In accordance with Article 58(2)(j) GDPR, each concerned SA maintains the power to order the suspension of data flows to a recipient in a third country or to an international organization whenever the appropriate safeguards envisaged by the Controller BCRs of DSV Group are not respected.
