Of Old And New

The magic of fabric goes beyond woven threads.

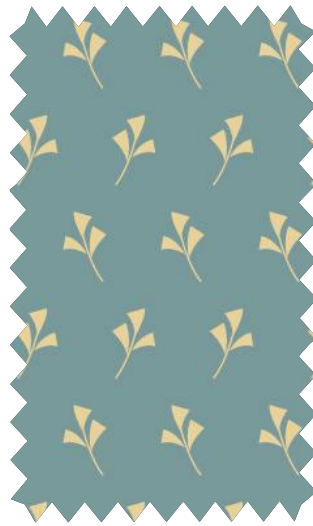

It's a labor of love, from the first color choice and design sketch to the final stitch that finishes a handmade project.

The "Of Old And New" collection contains a carefully curated color palette in warm, rich colors like 'rust', 'forest green', 'winter blue' and 'cranberry red' and finds the perfect balance by combining delicate florals with geometrical prints.

EQP fabrics are screen printed on a premium quality patchwork cotton.

These fabrics are created to stand the test of time, making sure that your projects will remain gorgeous for many years to come.
