# New Vintage

Reds, creams and blues never go out of style!  
From the first quilts ever sewn to the modern quilts that we make today,  
these colors have always been among the favorites.

The bright colors of a quilt made with love, often changed, due to use and washing.  
Reds faded into pinks, dark blues became lighter and creams turned into  
a light sandy shade of brown.

The life of fabrics and the love for quilts formed the inspiration for  
the New Vintage collection. Let these timeless colors and prints inspire you  
to create new heirlooms!
