Dear Mr. Peterle,

On behalf of Mr. Basha, I would like first to express our thankfulness for kindly accepting our invitation to come to Albania for our closing electoral rally to be held **this Friday, on June 23rd at 19:00.**

I believe you have already received some key points on the Albanian situation and the unicity of this legislative elections. If not so, I would be more than happy to share it with you.

Would you please reconfirm us your availability as your flights and stay in T irana?

Again thank you for your coming and looking forward to meet you personally in Albania,

Kind regards,

Akil Kraja
