NATIONAL MARINE FISHERIES SERVICE

THE DIRECTOR

The Honorable Mike Dunleavy
Governor, State of Alaska
Juneau, AK 99811

Dear Governor Mike Dunleavy:

Thank you for your letter requesting a federal fishery disaster determination for the 2022 Yukon River salmon fishery in Alaska. I am responding on behalf of the Secretary to acknowledge receipt of your request. The Secretary will respond with her determination as soon as our evaluation has been completed.

The National Oceanic and Atmospheric Administration's National Marine Fisheries Service (NMFS) conducts the evaluation needed for the Secretary of Commerce's fishery disaster determinations. NMFS will work with the Alaska Department of Fish and Game to assess whether a commercial fishery failure due to a fishery resource disaster has occurred under the Magnuson-Stevens Fishery Conservation and Management Act and the Interjurisdictional Fisheries Act. You can find more details about the criteria for evaluating fishery disaster requests in the NMFS Disaster Policy, which can be found on our [website](#).

Please contact Mary Furuness at Mary.Furuness@noaa.gov to ensure NMFS has all the necessary information to complete our analysis. We look forward to working with you on this request.

If you have further questions, please contact Justin Pearce at justin.pearce@noaa.gov, or 301-427-8521.

Sincerely,

Sam Rauch
Deputy Assistant Administrator
for Fisheries
