#### 1. Introduction

Conversion of 14(2) to 14(1) refers to a change in the VAT registration status of a business or individual dealer. It suggests that the entity is moving from being voluntarily registered for VAT (under section 14(2)) to becoming a mandatory VAT registrant (under section 14(1))

The conversion from "14(2) to 14(1)" implies that the entity's taxable turnover has surpassed the mandatory VAT registration threshold.

#### 1.1. Workflow

The workflow in Cancellation typically includes the following steps of HP ETD such as:

- Dealer who applies VAT registration form with selecting "Registration Under Section 14(2)" as Yes.
- ACSTE initiates conversion process.
- ACSTE changes the "Date of Liability" and "Date of Validity" on the Order page.
- ACSTE submits and the provisional registration certificate changes to regular registration certificate
