

International Society for Photogrammetry and Remote Sensing

**Responsibilities and Duties of
ISPRS Council Members**

(Green Book)

Introduction

This publication sets out the responsibilities and duties of ISPRS Council Members. It had originally been compiled including the statutory duties set out in the Statutes and Bylaws of ISPRS and from the experience of current Council Members. As of version V3.1 the statutory responsibilities have been omitted to avoid possible inconsistency between the Green Book and the Statutes & Bylaws.

The Green Book will be updated from time to time as responsibilities change.

V2.0 compiled April 2008
V3.0 compiled October 2016
V3.1 amended January 2024

General Notes about Chart:

Entries denoted in ***Bold italics*** are specified in the ToR of the Award. To change them requires a change in the ToR.

Entries not specified by ***Bold italics*** provide recommended ToR (based on Council experience).

Abbreviations used are: NLT = Not Later Than appt. = appoints TBR = to be resolved by Council

Footnotes (Council Tasks):

1. (Brock 5.a.) "The Council shall, two years prior to each Congress, invite the member societies to submit recommendations for recipients of the Award."
The SG is to coordinate with the donor for joint presentation and inform the presenting Council Member.
2. (Doležal) SG to request Austrian Society to indicate the amount of grant funds available nine months prior to Congress.
3. (Best Posters & CATCON) It is preferable for these sessions to be completed at least one and half days before the day of the Closing Ceremony so that authors can be informed, on-site publicity can be issued, and certificates can be prepared.

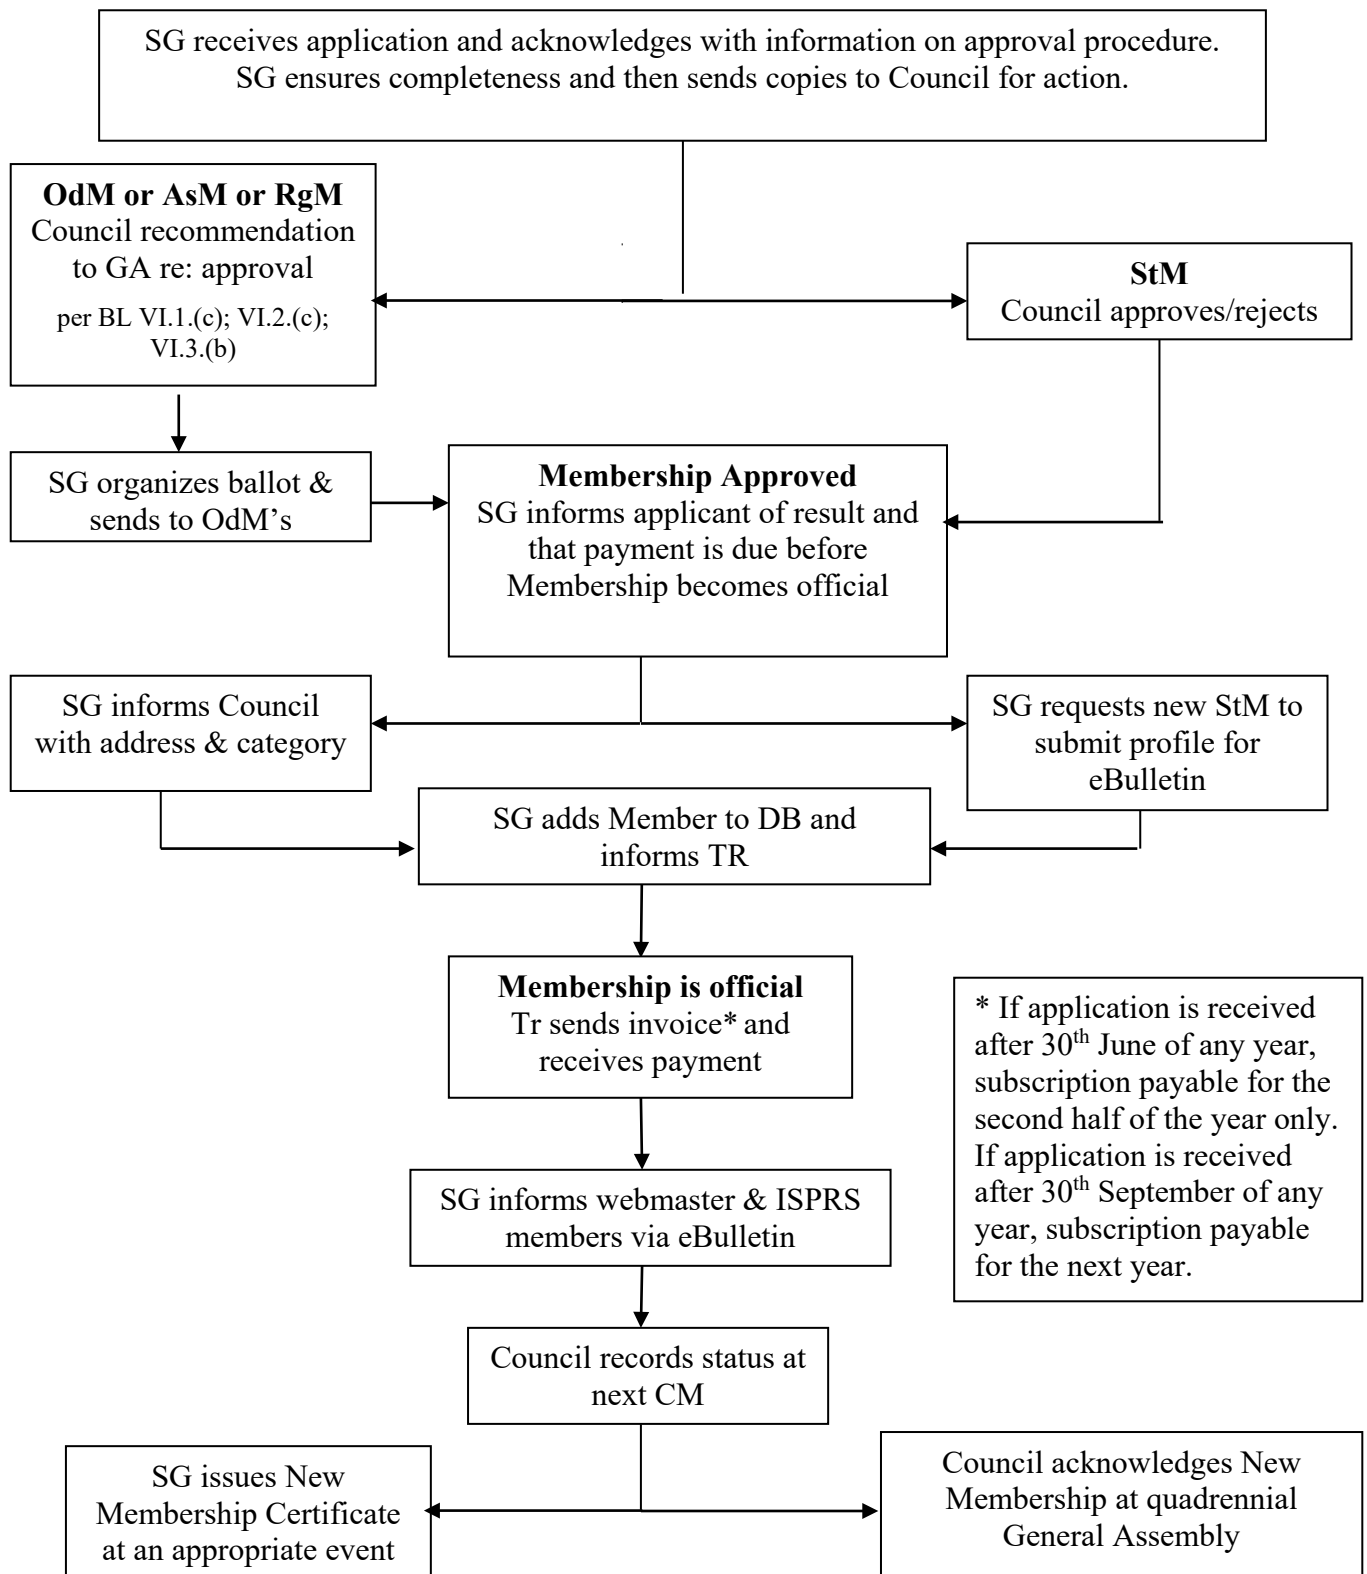

4. (Inform Winners/Donors) The sooner Winners/Donors are notified, the most likely they'll be in attendance and the technical program can be adjusted to avoid potential conflicts in their schedules. Donors are to be informed to prepare Certificates, Plaques, etc. for presentation ceremony.
5. (President's Citations, Best Young Authors, Best Poster Papers, CATCON Prizes) SG to prepare certificates; TR to prepare funds to be transferred to awardees.
6. (Young Authors) TR to transfer award funds upon completion of presentation at Congress.

Other Council tasks regarding procedures for ISPRS Awards:

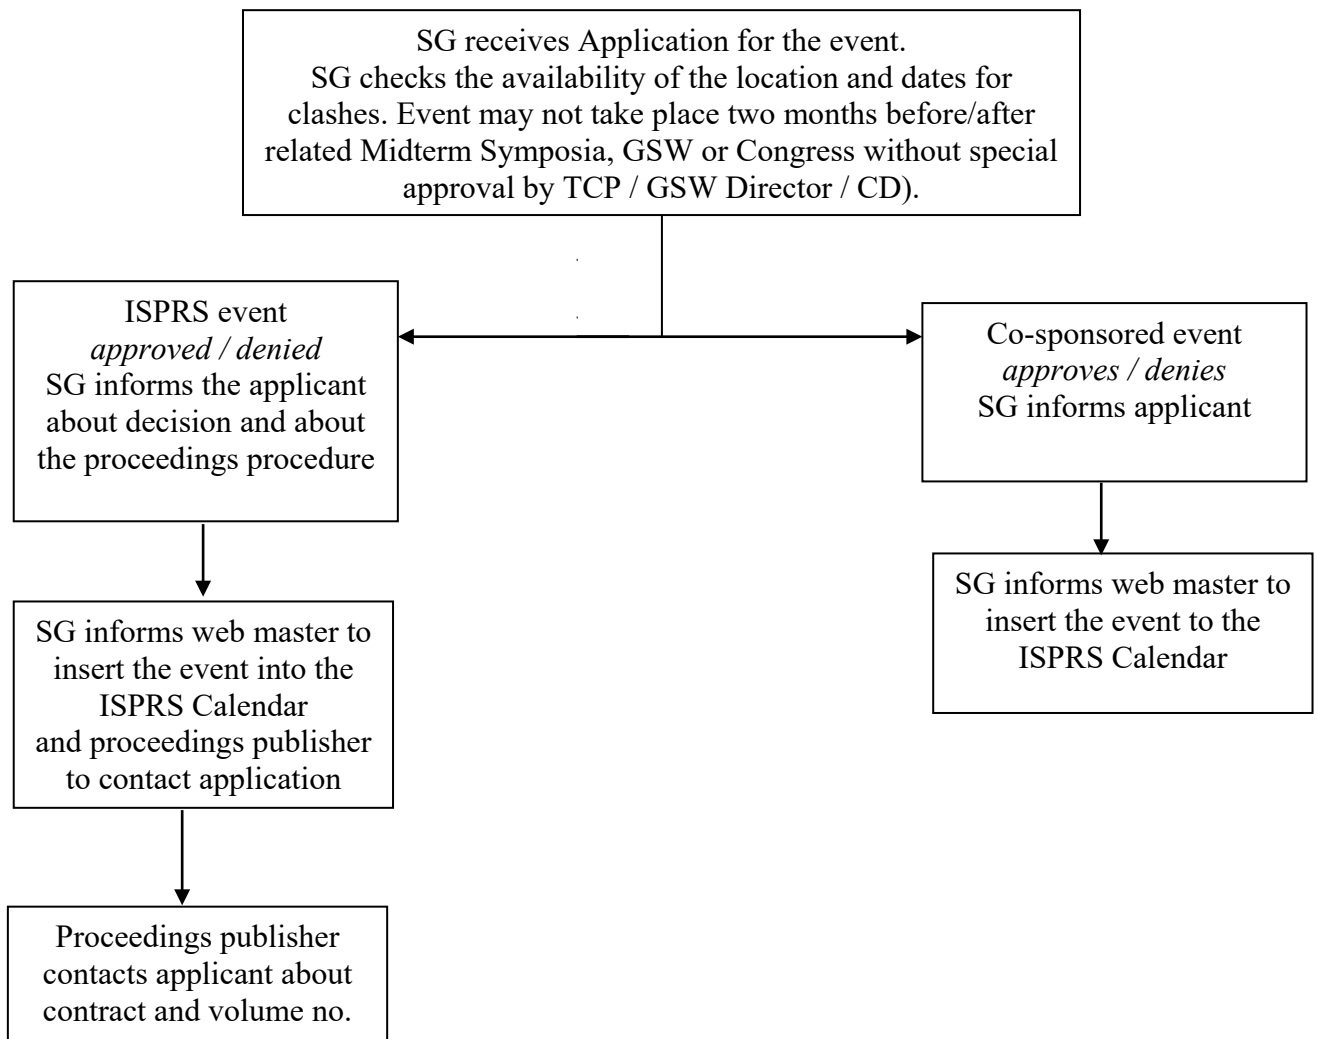

1. SG to communicate with all Member societies, 18 months prior to the Congress, requesting nominations.
2. President or SG should announce request for nominations and provide handouts of Awards Brochure at all Symposia.
3. Incoming President should hand out Certificate of Appreciation to TCPs at a Congress event (e.g. Closing) or General Assembly.
4. Outgoing President should send Certificates of Appreciation to all Commission Secretaries and all WG Officers after the Congress upon request.

7.5 ISPRS procedures

Procedure for admission of new members

Procedure for approval of an **ISPRS event to be sponsored or co-sponsored**

Guidelines for **Registration for ISPRS General Assembly (GA)**

As of 2016. Update needed, e.g. regarding distribution of documents and electronic voting.

1. Preparation

- Member fees must be paid up to the end of the year prior to the Congress to be eligible to vote. Outstanding fees may be paid in cash up to the commencement of voting. Members are to be advised of this option at least one month prior to the GA. **(SG)**
- Proof of payment - the only acceptable proof of payment will be confirmation of the funds being received in the ISPRS UBS account. Members are to be advised of this at least 3 months before Congress. **(SG)**
- OdMs are to be requested to nominate one delegate and two advisers, and to submit one email address for the purpose of digital voting at least one month prior to the GA. AsMs and RgMs are to be requested to nominate a representative at least one month prior to the GA. **(SG)**
- The **SG** is to collect the GA documents (GA agenda and all supporting documents) in digital form and forward them to OdMs, AsMs, RgMs and HnMs as well as to Council one month prior to the Congress. The **SG** will distribute an update of those documents approximately 10 days prior to the Congress. For easy access, these documents will be stored on a separate folder on the dropbox.
- The **CD** is to produce paper copies of all last-minute documents (i.e. those which are not in the dropbox folder, because they came in too late) to be distributed at the GA registration desk. The **SG** will distribute these documents to all attendees of the GA and also to Council in digital form as soon as they become available.
- The **SG** is to produce a list of GA attendees (delegates and advisers nominated by the OdMs, representatives of AsMs and RgMs, HnM and guests) - for use at the GA registration desk. The list will be forwarded to the **CD** at least 10 days before the Congress.
- From the list of GA attendees, updated by the **SG** immediately prior to the Congress, the **CD** will produce GA badges. The **CD** will deliver the badges to the **SG** before opening the registration of GA members.
- For OdMs, the badges are to be named "Delegate, Country/Region" and "Adviser, Country/Region"; for AsMs and RgMs, the badges are to be named "Representative, Member Name"; for guests (e.g. people bidding for future positions within the ISPRS), the badges are to be named "Guest"; for HnM the badges are to show the name of the HnM and "ISPRS Honorary Member". Council Members and support staff (e. g. Annette, Dan, possibly others) will also receive GA badges, these will come with the label "Council". Furthermore, the **CD** is to produce a limited number (about 10) of blank badges for GA attendees who failed to register in advance.
- The **CD** is to produce a limited number of paper copies of the GA documents, to be distributed at the GA registration desk, upon request.
- Should digital voting not be implemented at the GA, the **SG** is to prepare voting slips - voting slip numbers and colours are to vary for each vote and category, respectively.
- A link for online participation will be distributed asap prior to the GA to OdMs, AsMs, RgMs, HnMs and others who have registered interest to attend but are detained. **SG**

2. Ordinary Member Registration

- There will be the general Congress registration desk for the Congress at the Congress Centre entrance and a separate GA registration at the SG and Treasurer office or at the

GA meeting room entrance. Signs will show the way from the Congress to the GA registration.

- Ordinary Member delegates and advisers must either
 - register for the Congress at the Congress registration desk where they will receive a Congress badge, and subsequently register at the GA registration office, where they will receive the GA badge and when necessary, voting slips, or
 - register at the Congress registration desk for **GA only**, where they will receive a GA ONLY badge, and subsequently register at the GA registration office, where they will receive voting slips when necessary.
 - Only delegates or advisors are eligible to collect voting slips (one per Odm).
 - A letter from the Odm's office, naming nominated delegate and advisers, must be produced at the GA registration office as proof of eligibility to represent that Odm. If requested, the delegate and the advisers must prove identification (e.g. passport).
3. Registration of AsMs, RgMs, HnMs, and Guests
- **AsMs** and **RgMs** and representatives must either:
 - register for the Congress at the Congress registration desk where they will receive a Congress badge, and subsequently register at the GA registration office, where they will receive a GA badge, or
 - register at the Congress registration desk for **GA only**, where they will receive a GA ONLY badge, and subsequently register at the GA registration office.
 - Only representatives are eligible to collect GA documents and badges (one per AsM/RgM).
 - A letter from the AsMs/RgMs office, naming nominated representative, must be produced at the GA registration office as proof of eligibility to represent that AsM/RgM. If requested, the delegate and the advisers must prove identification (e.g. passport).
 - **HnMs** will receive the GA badges.
 - **Guests** are required to register for the Congress at the Congress registration desk to obtain the Congress Badge, and subsequently at the GA registration office to obtain their GA badge.
4. Voting
- Should digital voting not be implemented, a roll call will take place before the first vote at each GA session. The **SG** will document the roll call with the help of the list of registered OdMs used at the GA registration desk.
 - When using digital voting, the time-frame to place a vote will be announced prior to each individual vote. All Odm delegates, including in-person attendees, will cast one ballot per individual vote via a personal device (laptop, mobile phone) using the email address registered for the GA for that Odm. Members should be informed that, should an in-person attending member delegate not be able to cast a vote due to lack of personal device, they should inform the SG as soon as possible to arrange an alternative device.
 - When using voting slips, numbers and colours are to vary for each vote and category, respectively areas of responsibility of Council Members.
