# Ready today for tomorrow

Teaching is one of the most satisfying and rewarding careers. It is a global profession, and with a teaching qualification, you can teach anywhere in the world. As a secondary teacher, you will have the privilege of helping young people develop as learners and individuals, and shape their future pathways.

JCU Education students choose two teaching areas to specialise in. Not all teaching areas are available at JCU Cairns.

Teaching areas also include Industrial Technologies and Design, Visual Art and Music. Innovations to support Vocational Education in schools include: a specialisation pathway for those with trade qualifications and 'VET ready' subjects built into the degree so graduates across a range of teaching areas can teach and assess vocational qualifications in secondary schools.

Gain a world-class education that prepares you to teach in the tropics and beyond. Benefit from JCU Education's dynamic partnerships with secondary schools throughout North and Far North Queensland.

*“For as long as I can remember, I have wanted to be a teacher. Being a sports lover, making the decision to major in Health and Physical Education was an easy one. Throughout my teaching career I hope to make a difference in Indigenous education and improve the educational experience and outcomes for Aboriginal and Torres Strait Islander students. If you are thinking of pursuing teaching, I say go for it! The education program and support at JCU is amazing and you will never be alone on this journey. Every step is worth it!”*

BACHELOR OF EDUCATION (SECONDARY) GRADUATE

*“JCU Secondary Education pre-service teachers choose their specialisations from a wide range of teaching areas, including pathways to support vocational education and training in schools. They enter the teaching profession in demand, with the knowledge, skills and practical experience to inspire and shape the future pathways of young people.”*

## Career Opportunities

JCU Education (Secondary) graduates are in high demand for their specialist skills with students with diverse cultural backgrounds and learning needs.

Graduates pursue careers both in Australia and overseas, in public, independent, and Catholic schools.

You could find employment as a secondary teacher, or pursue roles in education management, government departments, or community development.

# JCU Accommodation

Study and live in some of the most interesting places in the world. Cairns and Townsville are on the doorstep of the Great Barrier Reef, magnificent rainforests, the savanna region and Outback Australia.

Living on-campus is a great way to make the most of your time at JCU. JCU Townsville, Bebegu Yumba campus, Douglas, has five different accommodation options housing over 1,300 students. JCU Cairns, Nguma-bada campus, Smithfield, features an accommodation complex for 300 students. Living on-campus is a great place to make new friends and immerse yourself in the JCU culture. All rooms at our on-campus residences are single board, with a single bed, study desk, chair, fan, air-conditioning and Wi-Fi. Each residence is different in regards to style of living, culture and atmosphere. There are options for fully catered or self-catered housing.
