Experience has no substitute

Learn how to assess clients, communicate with people from diverse cultural backgrounds, plan and implement nursing interventions, and manage and evaluate nursing care in this professionally-accredited degree.

You can study your entire degree with JCU in Cairns, Townsville, Mackay and Mount Isa or study externally. Make use of the opportunity to go on an overseas student exchange or an international placement experience. Australian clinical placement is provided in a range of contemporary health settings.

Apply theoretical knowledge in a practical context, preparing you for smooth transition into the workplace. JCU's exceptional learner engagement and teaching resources ensure you graduate job ready.

“Doing my three-week placement in Weipa made me more drawn to becoming a rural and remote nurse and giving back to my people. By being situated in a place like Weipa, I was able to have a more hands-on experience: applying cultural competencies and applying competent nursing skills to my people. This made me feel like I was making a real difference in giving back, just as a student nurse. This made me realise my potential as a future registered nurse.”

Ivy Hodges

BACHELOR OF NURSING SCIENCE

“Our nursing curriculum is underpinned by the philosophy of person centred care whereby our students’ attributes demonstrate care that is individualised, empathetic and respectful.”

As a Nurse educator, I can help you to engage in your learning, inspire you to be your best and transform you from being ordinary to being great!

If your dream is to have a career in nursing then JCU is the place where your dreams really do come true.”

Julie Shepherd

LECTURER, NURSING AND MIDWIFERY

Career Opportunities

A JCU Nursing degree gives you distinctive rural, regional and tropical nursing skills that will set you apart from your peers.

Nurses work in hospitals and a variety of healthcare settings including community health centres, the defence forces, government departments, industry, non-government agencies, such as the Red Cross, and schools.

This degree provides a strong foundation for future specialisation in areas such as emergency, mental health, aged care, oncology, community health, rural and remote health or in health policy, research, management, or education.

JCU Accommodation

Study and live in some of the most interesting places in the world. Cairns and Townsville are on the doorstep of the Great Barrier Reef, magnificent rainforests, the savannah region and Outback Australia.

Living on-campus is a great way to make the most of your time at JCU. JCU Townsville, Bebegu Yumba campus, Douglas, has five different accommodation options housing over 1,300 students. JCU Cairns, Nguma-bada campus, Smithfield, features an accommodation complex for 300 students. Living on-campus is a great place to make new friends and immerse yourself in the JCU culture.
