

Wireless Telegraphy Act 2006

2006 CHAPTER 36

PART 2

REGULATION OF RADIO SPECTRUM

CHAPTER 1

WIRELESS TELEGRAPHY LICENCES

Licensing of wireless telegraphy

8 Licences and exemptions

- (1) It is unlawful—
 - (a) to establish or use a wireless telegraphy station, or
 - (b) to instal or use wireless telegraphy apparatus,except under and in accordance with a licence (a “wireless telegraphy licence”) granted under this section by OFCOM.
- (2) Subsection (1) does not apply to—
 - (a) the use of a television receiver (within the meaning of Part 4 of the Communications Act 2003) for receiving a television programme; or
 - (b) the installation of a television receiver for use solely for that purpose.
- (3) OFCOM may by regulations exempt from subsection (1) the establishment, installation or use of wireless telegraphy stations or wireless telegraphy apparatus of such classes or descriptions as may be specified in the regulations, either absolutely or subject to such terms, provisions and limitations as may be so specified.
- (4) If OFCOM are satisfied that the condition in subsection (5) is satisfied as respects the use of stations or apparatus of a particular description, they must make regulations under subsection (3) exempting the establishment, installation and use of a station or apparatus of that description from subsection (1).

Status: This is the original version (as it was originally enacted).

- (5) The condition is that the use of stations or apparatus of that description is not likely to involve undue interference with wireless telegraphy.

9 Terms, provisions and limitations

- (1) A wireless telegraphy licence may be granted subject to such terms, provisions and limitations as OFCOM think fit.
- (2) In the case of a licence to establish a station, the limitations may, in particular, include limitations as to—
- (a) the position and nature of the station;
 - (b) the purpose for which, the circumstances in which and the persons by whom the station may be used;
 - (c) the apparatus that may be installed or used in the station.
- (3) In the case of any other licence, the limitations may, in particular, include limitations as to—
- (a) the apparatus that may be installed or used;
 - (b) the places where, the purposes for which, the circumstances in which and the persons by whom the apparatus may be used.
- (4) The terms, provisions and limitations may also include, in particular—
- (a) terms, provisions and limitations as to strength or type of signal, as to times of use and as to the sharing of frequencies;
 - (b) terms, provisions or limitations imposing prohibitions on the transmission or broadcasting of particular matters by the holder of the licence;
 - (c) terms or provisions requiring the transmission or broadcasting of particular matters by that person.
- (5) A wireless telegraphy licence may be granted—
- (a) in relation to a particular station or particular apparatus; or
 - (b) in relation to any station or apparatus falling within a description specified in the licence;
- and such a description may be expressed by reference to such factors (including factors confined to the manner in which it is established, installed or used) as OFCOM think fit.
- (6) The terms, provisions and limitations of a wireless telegraphy licence granted to a person must not duplicate obligations already imposed on him by general conditions set under section 45 of the Communications Act 2003 (c. 21) (power of OFCOM to set conditions in relation to electronic communications networks and services).
- (7) In imposing terms, provisions or limitations on a wireless telegraphy licence, OFCOM may impose only those that they are satisfied are—
- (a) objectively justifiable in relation to the networks and services to which they relate;
 - (b) not such as to discriminate unduly against particular persons or against a particular description of persons;
 - (c) proportionate to what they are intended to achieve; and
 - (d) in relation to what they are intended to achieve, transparent.
- (8) This section has effect subject to regulations under section 14.

10 Procedure

Schedule 1 (which makes provision about the grant, revocation and variation of wireless telegraphy licences) has effect.

11 Surrender of licence

- (1) Where a wireless telegraphy licence has expired or has been revoked, it is the duty of—
 - (a) the person to whom the licence was granted, and
 - (b) any other person in whose possession or under whose control the licence may be,to cause it to be surrendered to OFCOM if required by them to do so.
- (2) Subsection (1) does not apply to a licence that relates solely to receiving apparatus.
- (3) A person commits an offence if—
 - (a) he has a duty under subsection (1) to cause a wireless telegraphy licence to be surrendered to OFCOM; and
 - (b) without reasonable excuse he fails or refuses to do so.
- (4) A person who commits an offence under this section is liable on summary conviction to a fine not exceeding level 3 on the standard scale.

Charges etc

12 Charges for grant of licence

- (1) A person to whom a wireless telegraphy licence is granted must pay to OFCOM—
 - (a) on the grant of the licence, and
 - (b) if regulations made by OFCOM so provide, subsequently at such times during its term and such times in respect of its variation or revocation as may be prescribed by the regulations,the sums described in subsection (2).
- (2) The sums are—
 - (a) such sums as OFCOM may prescribe by regulations, or
 - (b) if regulations made by OFCOM so provide, such sums (whether on the grant of the licence or subsequently) as OFCOM may determine in the particular case.
- (3) Regulations under this section may—
 - (a) confer exemptions from provisions of the regulations in particular cases; and
 - (b) provide for sums paid to be refunded, in whole or in part, in such cases as may be specified in the regulations or in such cases as OFCOM think fit.
- (4) On the grant of a licence in respect of which sums will or may subsequently become payable under regulations under this section, OFCOM may require such security to be given, by way of deposit or otherwise, for the payment of those sums as they think fit.
- (5) Regulations under this section do not apply in relation to a licence granted in accordance with regulations under section 14.

13 Matters taken into account

- (1) This section applies where OFCOM exercise a power under section 12 to prescribe sums payable in respect of wireless telegraphy licences, other than a power to prescribe sums payable where a licence is varied or revoked at the request or with the consent of the holder of the licence.
- (2) OFCOM may, if they think fit in the light (in particular) of the matters to which they must have regard under section 3, prescribe sums greater than those necessary to recover costs incurred by them in connection with their radio spectrum functions.
- (3) “Prescribe” means prescribe by regulations or determine in accordance with regulations.

14 Bidding for licences

- (1) Having regard to the desirability of promoting the optimal use of the electromagnetic spectrum, OFCOM may by regulations provide that, in such cases as may be specified in the regulations, applications for wireless telegraphy licences must be made in accordance with a procedure that involves the making by the applicant of a bid specifying an amount that he is willing to pay to OFCOM in respect of the licence.
- (2) The regulations may make provision with respect to—
 - (a) the grant of the licences to which they apply; and
 - (b) the terms, provisions and limitations subject to which such licences are granted.
- (3) The regulations may, in particular—
 - (a) require the applicant’s bid to specify the amount he is willing to pay;
 - (b) require that amount to be expressed—
 - (i) as a cash sum;
 - (ii) as a sum determined by reference to a variable (such as income attributable wholly or in part to the holding of the licence);
 - (iii) as a combination of the two; or
 - (iv) (at the applicant’s choice) in any one of the ways falling within subparagraphs (i) to (iii) that is authorised by the regulations;
 - (c) require that amount to be expressed in terms of—
 - (i) the making of a single payment;
 - (ii) the making of periodic payments;
 - (iii) a combination of the two; or
 - (iv) (at the applicant’s choice) any one of the ways falling within subparagraphs (i) to (iii) that is authorised by the regulations;
 - (d) specify requirements (for example, technical or financial requirements, requirements relating to fitness to hold the licence and requirements intended to restrict the holding of two or more wireless telegraphy licences by any one person) which must be met by applicants for a licence;
 - (e) require an applicant to pay a deposit to OFCOM;
 - (f) specify circumstances in which a deposit is, or is not, to be refundable;
 - (g) specify matters to be taken into account by OFCOM (in addition to the bids made in accordance with the procedure provided for in the regulations) in deciding whether, or to whom, to grant a licence;

Status: This is the original version (as it was originally enacted).

- (h) specify the other terms, provisions and limitations subject to which a licence to which the regulations apply is to be granted;
 - (i) make any provision referred to in section 12(3).
- (4) Regulations do not require OFCOM to grant a wireless telegraphy licence on the completion of the procedure provided for in the regulations, except in such circumstances as may be provided for in the regulations.
- (5) A wireless telegraphy licence granted in accordance with the regulations must specify—
- (a) the sum or sums which in consequence of the bids made are, in accordance with the regulations, to be payable in respect of the licence; or
 - (b) the method for determining that sum or those sums;
- and that sum or those sums must be paid to OFCOM by the person to whom the licence is granted in accordance with the terms of the licence.
- (6) In determining the sum or sums payable in respect of a wireless telegraphy licence, regard may be had to bids made for other wireless telegraphy licences and for grants of recognised spectrum access.
- (7) The regulations may provide that where a person—
- (a) applies for a licence in accordance with a procedure provided for in the regulations, but
 - (b) subsequently refuses the licence applied for,
- that person must make such payments to OFCOM as may be determined in accordance with the regulations by reference to bids made for the licence.
- (8) Section 12(4) applies in relation to sums that will or may become payable under regulations under this section after the grant of a wireless telegraphy licence as it applies in relation to sums that will or may become payable under regulations under section 12.

15 Recovery

- (1) This section applies in the case of a sum which is to be paid to OFCOM—
- (a) under any provision of sections 12 to 14;
 - (b) in pursuance of any provision of any regulations under those sections; or
 - (c) because of any terms contained as a result of those sections in a wireless telegraphy licence.
- (2) The sum must be paid to OFCOM as soon as it becomes due in accordance with that provision or those terms and, if it is not paid, it is to be recoverable by them accordingly.

16 Regulations

- (1) In its application to the powers of OFCOM to make regulations under sections 12 to 14, section 122 is subject to the following provisions of this section.
- (2) Subsections (4) to (6) of section 122 do not apply in any case in which it appears to OFCOM that by reason of the urgency of the matter it is inexpedient to publish a notice in accordance with section 122(4)(b).

Status: This is the original version (as it was originally enacted).

- (3) Subsections (4) to (6) of section 122 do not apply in the case of any regulations under section 14 modifying previous regulations under section 14 in a case not falling within subsection (2) of this section, if it appears to OFCOM—
- (a) that the modifications would not adversely affect the interests of any person or otherwise put him in a worse position or, as regards someone else, put him at a disadvantage; and
 - (b) in so far as the modifications affect a procedure that has already begun, that no person would have acted differently had the modifications come into force before the procedure began.

References in sections 12 to 16 to the grant of a wireless telegraphy licence include references to the grant of a licence by way of renewal of a previous licence.

CHAPTER 2

GRANTS OF RECOGNISED SPECTRUM ACCESS

Making of grants

18 Grant of recognised spectrum access

- (1) This section applies where—
 - (a) a person is proposing to use or to continue to use a wireless telegraphy station or wireless telegraphy apparatus;
 - (b) the circumstances of the use are circumstances specified for the purposes of this section in regulations made by OFCOM;
 - (c) that use does not require a wireless telegraphy licence but will involve the emission of electromagnetic energy with a view to the reception of anything at places in the United Kingdom or in UK territorial sea.
- (2) For the purposes of this section it is immaterial whether the emissions are from a place within the United Kingdom or from a place outside the United Kingdom.
- (3) On an application by that person, OFCOM may make a grant of recognised spectrum access in respect of any use by him of anything for wireless telegraphy that is specified in the grant.
- (4) A grant of recognised spectrum access made to a person shall set out, by reference to such factors as OFCOM think fit (including, so far as they think fit, frequencies, times and places of reception and strength and type of signal), the respects in which the use of anything by that person for wireless telegraphy is recognised by the grant.
- (5) A grant of recognised spectrum access to a person is made by giving him a notification containing the grant.
- (6) A grant of recognised spectrum access may be made subject to such restrictions and conditions as OFCOM think fit, including, in particular, restrictions or conditions as to strength or type of signal, as to times of use and as to the sharing of frequencies.

- (7) The restrictions and conditions of a grant of recognised spectrum access made to a person must not duplicate obligations already imposed on him by general conditions set under section 45 of the Communications Act 2003 (c. 21) (power of OFCOM to set conditions in relation to electronic communications networks and services).
- (8) Where a grant of recognised spectrum access is made subject to restrictions and conditions, the restrictions and conditions must be set out in the notification by which the grant is made.

 - (b) their functions under section 18 with respect to the making of grants of recognised spectrum access; and
 - (c) any of their other radio spectrum functions in the carrying out of which it is appropriate for them to have regard to—
 - (i) whether wireless telegraphy licences are in force, or
 - (ii) the terms, provisions or limitations of wireless telegraphy licences that are in force.
- (2) In carrying out those functions, OFCOM must take into account—
 - (a) the existence of any grant of recognised spectrum access that is in force, and
 - (b) the provisions imposing the restrictions and conditions subject to which such a grant has effect,to the same extent as they would take into account a wireless telegraphy licence with terms, provisions or limitations making equivalent provision.

Charges etc

21 Charges for grant of recognised spectrum access

- (1) A person to whom a grant of recognised spectrum access is made must pay to OFCOM—

- (5) Regulations under this section do not apply in relation to a grant of recognised spectrum access made in accordance with regulations under section 23.

22 Matters taken into account

- as the Secretary of State considers appropriate.

29 Limitations on authorised spectrum use

- (1) If they consider it appropriate to impose limitations on the use of particular frequencies for the purpose of securing the efficient use of the electromagnetic spectrum, OFCOM must make an order imposing the limitations.
- (2) An order under this section may do one or both of the following—
- (a) specify frequencies for the use of which OFCOM will grant or make only a limited number of wireless telegraphy licences and grants of recognised spectrum access; or

- (a) the limit on the number of wireless telegraphy licences and grants of recognised spectrum access to be granted or made for the specified frequencies or uses;
 - (b) the persons to whom licences will be granted or grants of recognised spectrum access made.
- (4) OFCOM must satisfy themselves that any criteria set out as a result of subsection (3) are—
- (a) objectively justifiable in relation to the frequencies or uses to which they relate;

 - (b) transfers of all or any of those rights and obligations such that the transferred rights and obligations become rights and obligations of the transferee while continuing, concurrently, to be rights and obligations of the person making the transfer; and
 - (c) transfers falling within either of paragraphs (a) and (b) under which the rights and obligations that are acquired by the transferee take effect—
 - (i) if they are rights and obligations under a wireless telegraphy licence, as rights and obligations under a grant of recognised spectrum access; and
 - (ii) if they are rights and obligations under a grant of recognised spectrum access, as rights and obligations under a wireless telegraphy licence.
- (3) Regulations authorising the transfer of rights and obligations under a wireless telegraphy licence or a grant of recognised spectrum access may—
 - (a) authorise a partial transfer—
 - (i) to be made by reference to such factors and apportionments, and
 - (ii) to have effect in relation to such matters and periods,
 as may be described in, or determined in accordance with, the regulations;
 - (b) by reference to such factors (including the terms and conditions of the licence or grant in question) as may be specified in or determined in accordance with the regulations, restrict the circumstances in which, the extent to which and the manner in which a transfer may be made;
 - (c) require the approval or consent of OFCOM for the making of a transfer;
 - (d) provide for a transfer to be effected by the surrender of a wireless telegraphy licence or grant of recognised spectrum access and the grant or making of a new one in respect of the transfer;

Status: This is the original version (as it was originally enacted).

- (e) confer power on OFCOM to direct that a transfer must not be made, or is to be made only after compliance with such conditions as OFCOM may impose in accordance with the regulations;
 - (f) authorise OFCOM to require the payment to them of such sums as may be determined by or in accordance with the regulations—

 - (b) in accordance with a provision falling within subsection (5).
- (5) The provision is one which—
- (a) is contained in a wireless telegraphy licence granted before 29th December 2003 or in the first or any subsequent renewal on or after that date of a licence so granted; and
 - (b) allows the holder of the licence to confer the benefit of the licence on another in respect of any station or apparatus to which the licence relates.
- (6) A transfer is also void if it is made in contravention of a direction given by OFCOM in exercise of a power conferred by regulations under this section.

Wireless telegraphy register

31 Wireless telegraphy register

 - (a) by a demand for information that sets out OFCOM’s reasons for requiring the information and the statistical purposes for which it is required; and
 - (b) where the making of a demand for that information is proportionate to the use to which the information is to be put in the carrying out of OFCOM’s functions.
- (4) A demand for information required under this section must be contained in a notice given to the person from whom the information is required.
- (5) A person required to give information under this section must provide it in such manner and within such reasonable period as may be specified by OFCOM.

33 Failure to provide information etc
