**2016 No. 1092**

**The Simple Pressure Vessels (Safety) Regulations 2016**

**PART 2**

Obligations of economic operators

Manufacturers

**Inscriptions for category B vessels**

7.—(1) Before placing a category B vessel on the market, a manufacturer must affix the following to the vessel or to its data plate—

- (a) the inscriptions; and
- (b) the information referred to in regulation 11(1).

(2) Where a data plate is used, it must be so designed that it cannot be reused and must include a vacant space to enable other information to be provided.

(3) The inscriptions and information referred to in paragraph (1) must be visible, legible and indelible.

**Changes to legislation:**

There are currently no known outstanding effects for the The Simple Pressure Vessels (Safety) Regulations 2016, Section 7.
