Applying to the LRP
is as easy as 1...2...3...

1 Eligibility Review

- Visit the LRP website at **www.lrp.nih.gov**
- Review program information and eligibility criteria
- Read NIH IC Mission and Priorities and talk to a Program Officer

2 Before Application

- Obtain your Commons ID
- Talk to your Mentor and potential Referees
- Contact a Business Official at your Research Center

3 Application

- Prepare all your application materials and gather loan account statements
- Start your application as early as September 1st
- Submit your application by the mid-November deadline. Visit www.lrp.nih.gov for more information on the annual deadline.
