OFFICE ORDER

Council vide Resolution No. 09(G-01) dated 12.06.2015 has resolved the implementation of "payment of environmental compensation fees" in NDMC area. The same is to be implemented w.e.f. July 2015 by adopting following parameters:-

1. Presently NDMC is levying sewerage maintenance charge of volumetric charge on households having water connection. Keeping in view the directions of NGT, it is decided that the minimum sewerage charges to be collected from every household within the water billing network of NDMC in a billing cycle would be ₹100. If the amount of sewerage charge in a billing cycle works out to more than ₹100, the actual amount of sewerage charge would be collected.
2. Households which are not in the water billing network of NDMC, shall be required to pay environmental compensation fees as per the following formula:-

S.No.	Sanctioned load of electricity	Amount in ₹
1	upto 2 kw	100
2	>2 kw upto 5 kw	250
3	>5 kw upto 10 kw	500
4	> 10 kw	1000

3. Households which have water connection (sewered & unsewered) and avail any kind of rebate in water charges or free water at any stage in future would also be required to pay "environmental compensation fees" in accordance with the above mentioned point No. 2.
4. The amount of sewerage charge / environmental compensation fees so collected on actual basis would be remitted to the relevant head of account by 15th of the following months.
5. This shall be effective w.e.f. July 2015.

This issue with the approval of Chairperson on file No. 194 dated 29.07.2015.
