<p>Question 1: Do you have any comments on our proposal to apply Code powers to the Applicant?</p>	<p>Confidential? – N</p> <p>Will Gigability agree to consult local communities about the desirability or otherwise of installing new network infrastructure? Additionally, if a community says NO to new infrastructure and the community can demonstrate it has consulted, will Gigability follow good practice adopted by other code operators and agree to abide by those community decisions?</p> <p>If the answer is in the negative, then granting of code powers should be refused.</p>
