10. The Director-General also repeated his request to the Syrian authorities to provide all necessary information that would assist in clarifying the remaining issues associated with the declarations and further submissions of the Syrian Arab Republic. Additionally, the Director-General restated that the Secretariat will continue to assist the Syrian Arab Republic in resolving these issues in a manner consistent with the Convention and relevant Council decisions. The Secretariat has not received a response from the Syrian Arab Republic to the Director-General's letter dated 10 April 2018.
