[publish.csiro.au/ma](http://publish.csiro.au/ma)

## > SCOPE

*Microbiology Australia* is the journal of the Australian Society for Microbiology and contains scientific papers, technical notes, book reviews, conference information, data on new products and services in microbiology, and material for tertiary students, in addition to providing detail on Australian Society for Microbiology (ASM) activities.

*Microbiology Australia* serves as a forum for invigorating discussion on microbiology, microbiological methods and microbiologists and seeks to raise awareness of the wide applications of microbiology.

Fully sponsored by the ASM, *Microbiology Australia* is published Open Access by CSIRO Publishing.

# JOURNAL METRICS

## > METRICS

These metrics are shared as a way of quantifying the impact this journal has on the research community. However, they should always be considered in the context of how they are calculated, and we emphasise that none of these journal-level metrics should be used to judge the impact of an individual article or author, or their research outputs.
