

ENGAGE ME
75 PRIX ITALIA

BARI

2-6 · 10 · 2023

*finalist and shortlisted
programmes*

The 2023 edition of the Prix Italia received 266 programmes, submitted by 84 organisations from 52 countries.

The programmes were evaluated by 83 jurors, representing 53 broadcasters from 43 countries.

At the end of the first evaluation phase, the seven best programmes per category (plus any *ex-aequo*) formed the shortlists. Subsequently, the Jurors met to discuss the shortlists and select the three finalist programmes for each category. The finalists will be invited to the Prix Italia festival in Bari to present their product to the Jury, before the final decision on the winner.

All the shortlisted programmes are listed here, in alphabetical order by country and broadcaster. Finalist programmes are highlighted.
