

ALABAMA DEPARTMENT OF REVENUE
MOTOR VEHICLE DIVISION

Application For Undercover License Plates

This form is used to request undercover license plates for documented, specific law enforcement investigations and surveillance purposes or for documented, specific security purposes. As provided under Section 40-12-250, Code of Alabama, the license plate issuing official must ensure that the requesting law enforcement agency has obtained the appropriate state, county or municipal license plate from the Department of Revenue prior to the issuance of an undercover license plate. Per Executive Order No. 728 (Jan. 17, 2023), page 1 of this form must be signed by the department or agency head, and each department or agency must retain a complete copy of the form in its files as confidential law enforcement or security records.
