ABOUT STUDIO 19?

Founded in 2014 by the dynamic duo, Josh and Vicki Wille, our dance school is a testament to their extensive experience and unwavering commitment to providing exceptional training for aspiring dancers.

Josh and Vicki, both immersed in the dance industry for years, embarked on this journey to create a space where young individuals could discover the joy of dance, whether it be for pure enjoyment or as a stepping stone towards a professional career.

ABOUT THE COURSE

Embark on a dynamic journey with Studio 19's BTEC Dance Extended Diploma, Level 3, in Performance Arts Practice (Dance). This comprehensive, full-time course, starting in September 2024, is designed in collaboration with SCL Education Group Ltd and generously supported Pearson Edexcel. It caters specifically to enthusiastic individuals aged 16-18 who are eager to thrive in the vibrant realm of dance.

COURSE CONTENT

In the inaugural year of the program, dancers will follow a comprehensive timetable, immersing themselves in a diverse range of dance disciplines. From commercial dance and jazz to musical theatre, ballet, contemporary, tap, and choreography, students will explore an array of styles. Additionally, supportive practices such as aerial and acrobatics will enhance their training experience. Year one's focus includes the assessment of key units:

- Performing arts skills development
- The performing arts industry
- Personal performing arts profile
- Collaborative performing arts project

YEAR
ONE

Building on the foundation laid in year one, the second year continues to offer a variety of dance lessons across disciplines, ensuring ongoing training and development. Year two introduces a more personalized approach, with students working on their individual profiles and collaborating with peers to develop and execute their unique projects.

Assessed units in year two encompass:

- Using development plans to refine skills
- Producing a personal project
- Using material for self-promotion and networking
- Undertaking a defined creative or administrative role
- Using creative collaboration to develop a project
- Producing a collaborative project

**YEAR
TWO**

WHY CHOOSE STUDIO 19?

INDUSTRY-RELEVANT CURRICULUM

Our course content is crafted to align with industry standards, ensuring students are well-prepared for the dynamic world of performing arts.

HOLISTIC DEVELOPMENT

Beyond dance, students develop essential skills in project management, self-analysis, and networking, laying a solid foundation for a successful career in the performing arts industry. We integrate essential life skills such as nutrition, financial management, and more, ensuring students are well-equipped for independence and ready to take the next steps in their dance training journey.

SUPPORTED GROWTH

With practical projects, workshops, and engagement with the industry, students build portfolios that showcase their evolving skills and talents.
