TECHGIG

Why TCS is using TechGig Challenges?

TCS was looking for partners to help them with their hiring needs. They wanted to optimize their screening funnel - ensuring quality candidates make it to further rounds.

TechGig worked closely with TCS's talent acquisition team in understanding and curating challenges for their various hiring requirements. Regular campaign updates kept TCS up-to-date with latest developments and clarity on the screening funnel.

TCS was happy with the quality of talent sourced from TechGig for their hiring needs and promoted TechGig as their preferred hiring partner.
