

Research & Industrial Week Cluj-Napoca 2024

În săptămâna 27 - 31 mai, s-a desfășurat cu succes evenimentul "Research & Industrial Week Cluj-Napoca 2024" în cadrul masterului Erasmus Mundus EMIMEP - European Master for Industry in Microwave Electronics and Photonics. Evenimentul a reunit 17 studenți internaționali și a fost coordonat de responsabilul acestui masterat din partea Universității Tehnice din Cluj-Napoca, domnul Conf.dr.ing. Lorant Andras Szolga.

From 27 to 31 May, the "Research & Industrial Week Cluj-Napoca 2024" was successfully held in UTCN as part of the Erasmus Mundus EMIMEP (European Master for Industry in Microwave Electronics and Photonics) for 17 international students. The event was coordinated by the person in charge of this master from UTCN, Assoc.Prof. Lorant Andras Szolga.
