The National Disabled Veterans Winter Sports Clinic serves as a leader in adaptive sports instruction for disabled Veterans, promoting world-class health care at a one-of-a-kind rehabilitative event. Known as "Miracles on a Mountainside," the clinic offers Veterans opportunities for self-development and challenge through sports therapy and rehabilitative activities such as adaptive Alpine and Nordic skiing, rock climbing, sled hockey and scuba diving.

Participation is open to U.S. military Veterans with qualifying disabilities such as spinal cord injuries, orthopedic amputation, visual impairments and certain neurological problems. Veterans who currently have inpatient or outpatient status at VA medical facilities will have first priority.

Sponsors interact with Veterans from throughout the nation at the clinic and share in the inspirational events from start to finish. You can help make miracles on a mountainside possible for the men and women who sacrificed for our freedoms.

**GIFTS ARE TAX-DEDUCTIBLE PER IRS REGULATIONS.**
