# About Eden Farms

---

Nestled in the foothills of the Grand Etang Tropical Rainforest between two national parks and protected areas

- Annadale Watershed (rivers from flow through Eden)
- Marine Protected Area (underwater sculpture park)

**Eden Farms**  
**Virgin & abandoned lands**

An aerial photograph of a lush, green tropical forest. A dirt road winds through the trees, starting from the bottom left and curving towards the right. The forest is dense with various shades of green. In the background, there are more forested hills under a cloudy sky. On the left side of the image, there is a white, jagged silhouette that looks like a hand or a branch reaching into the frame.

**The Gamble  
I needed to bet on me**

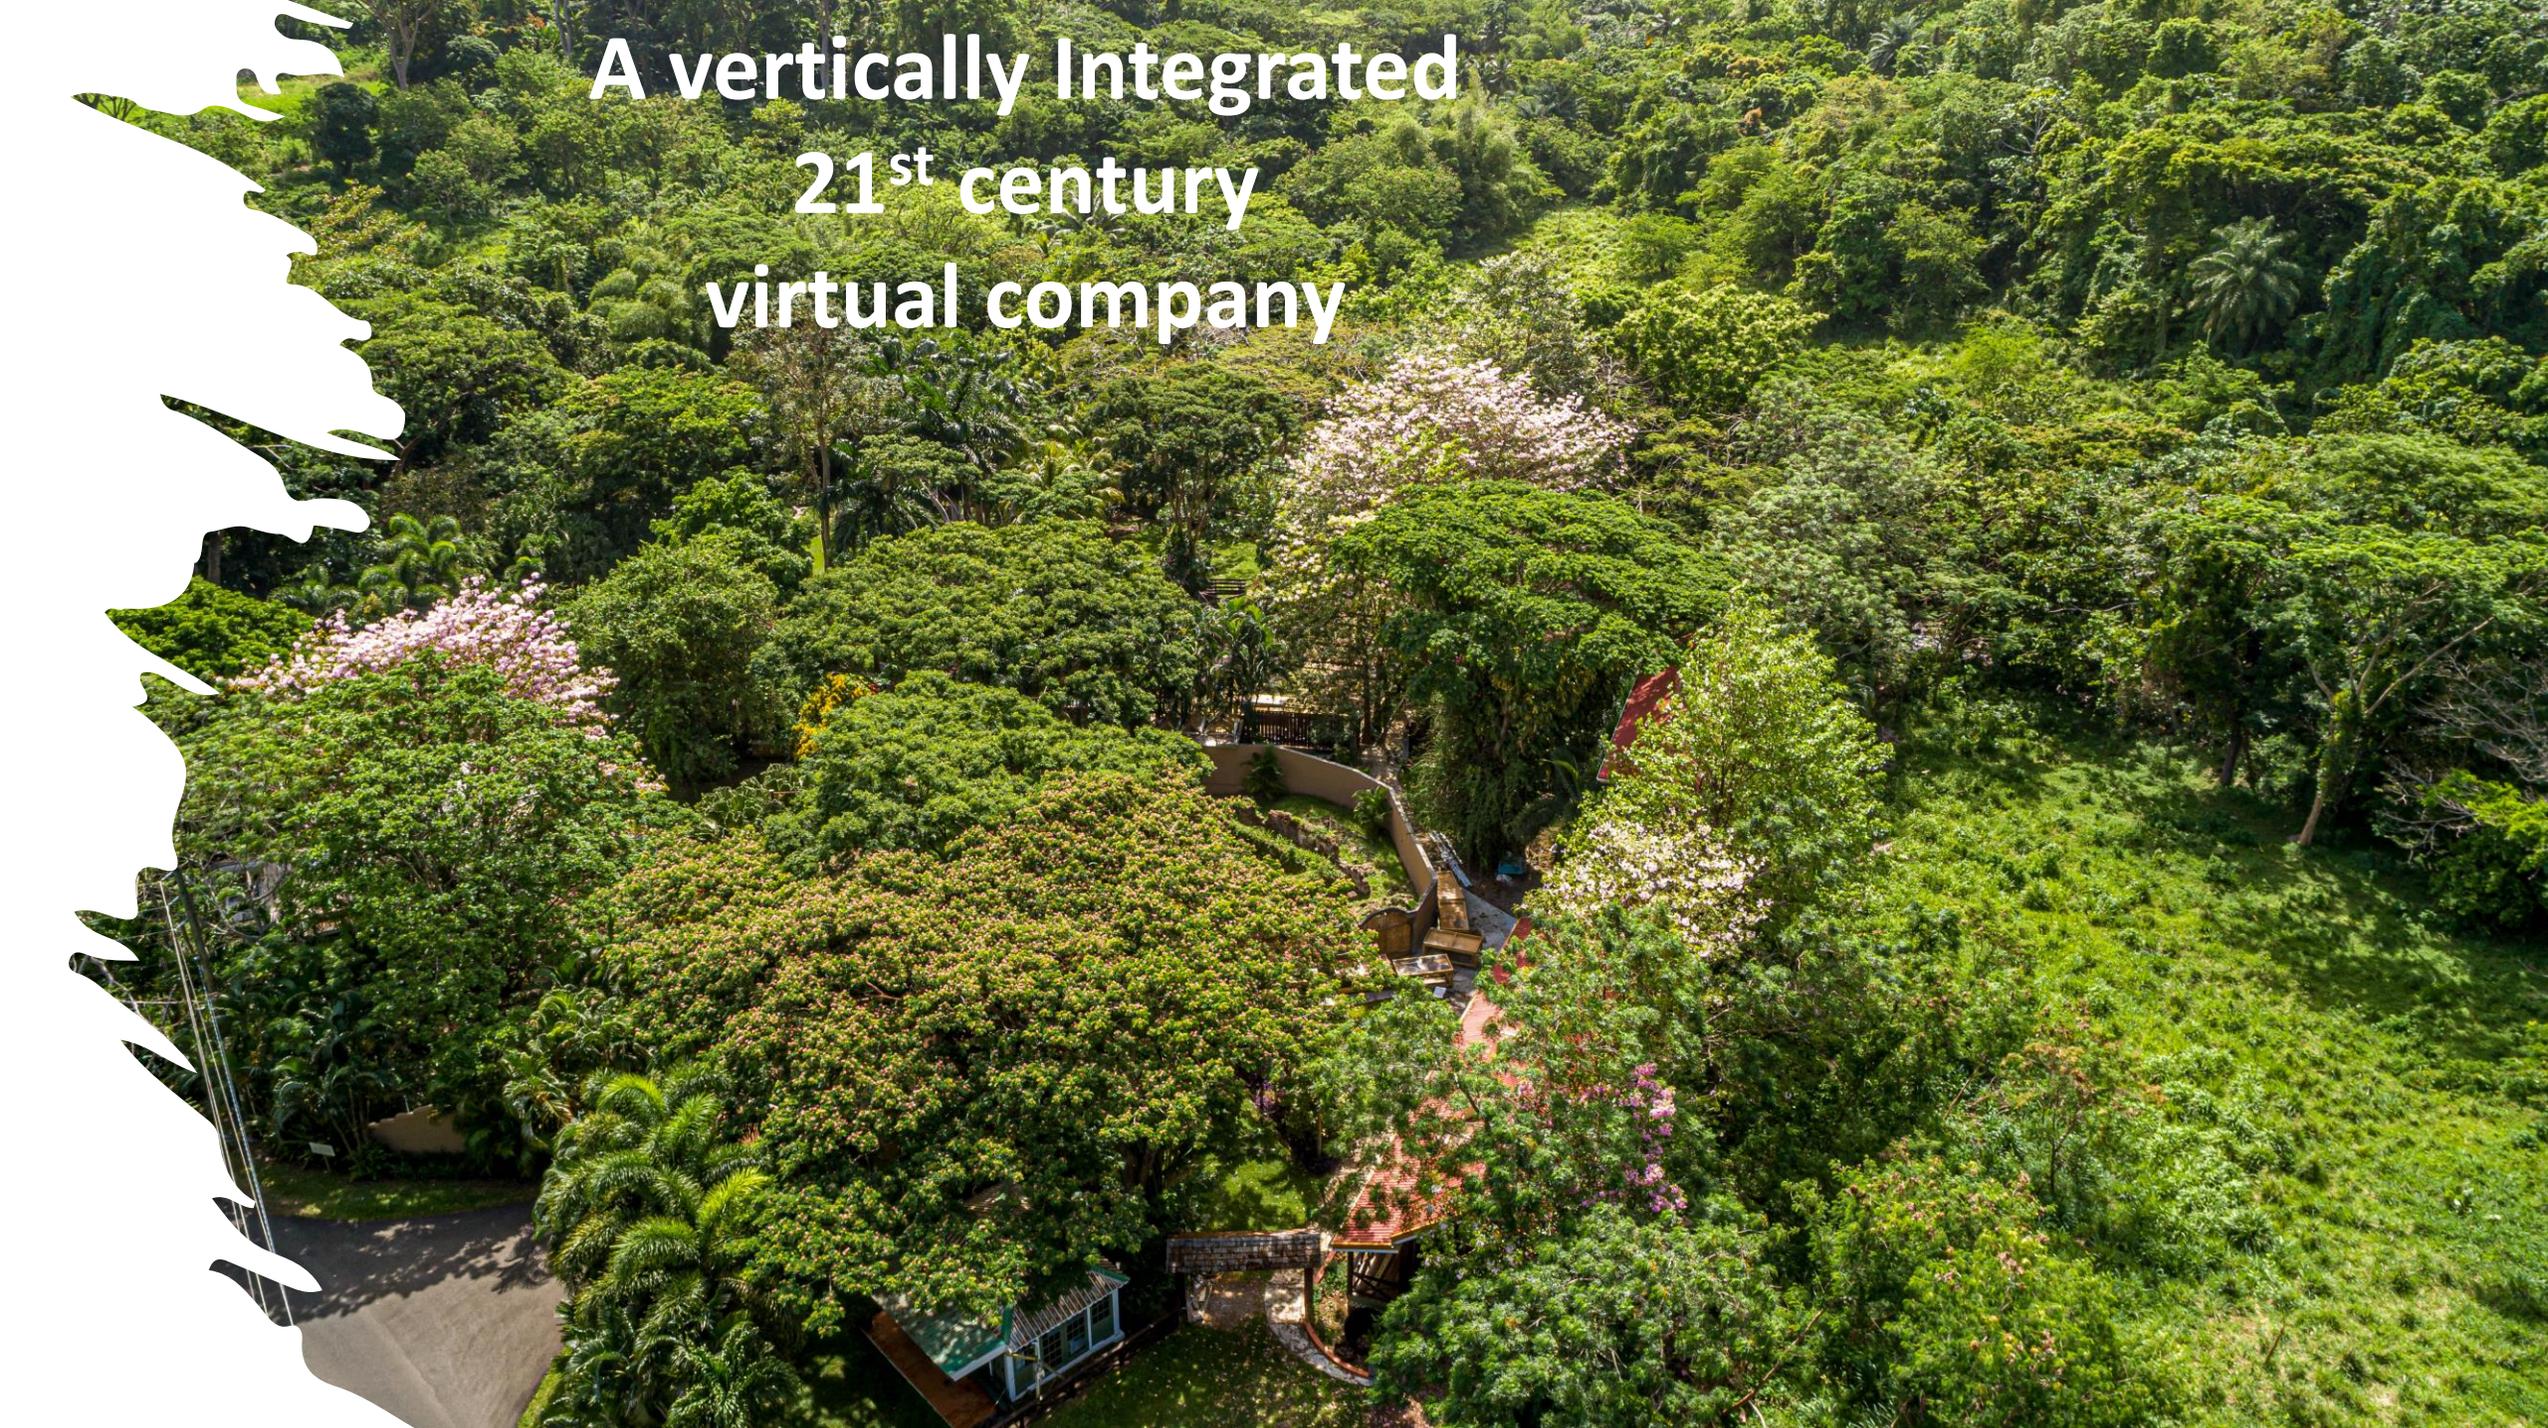

2008

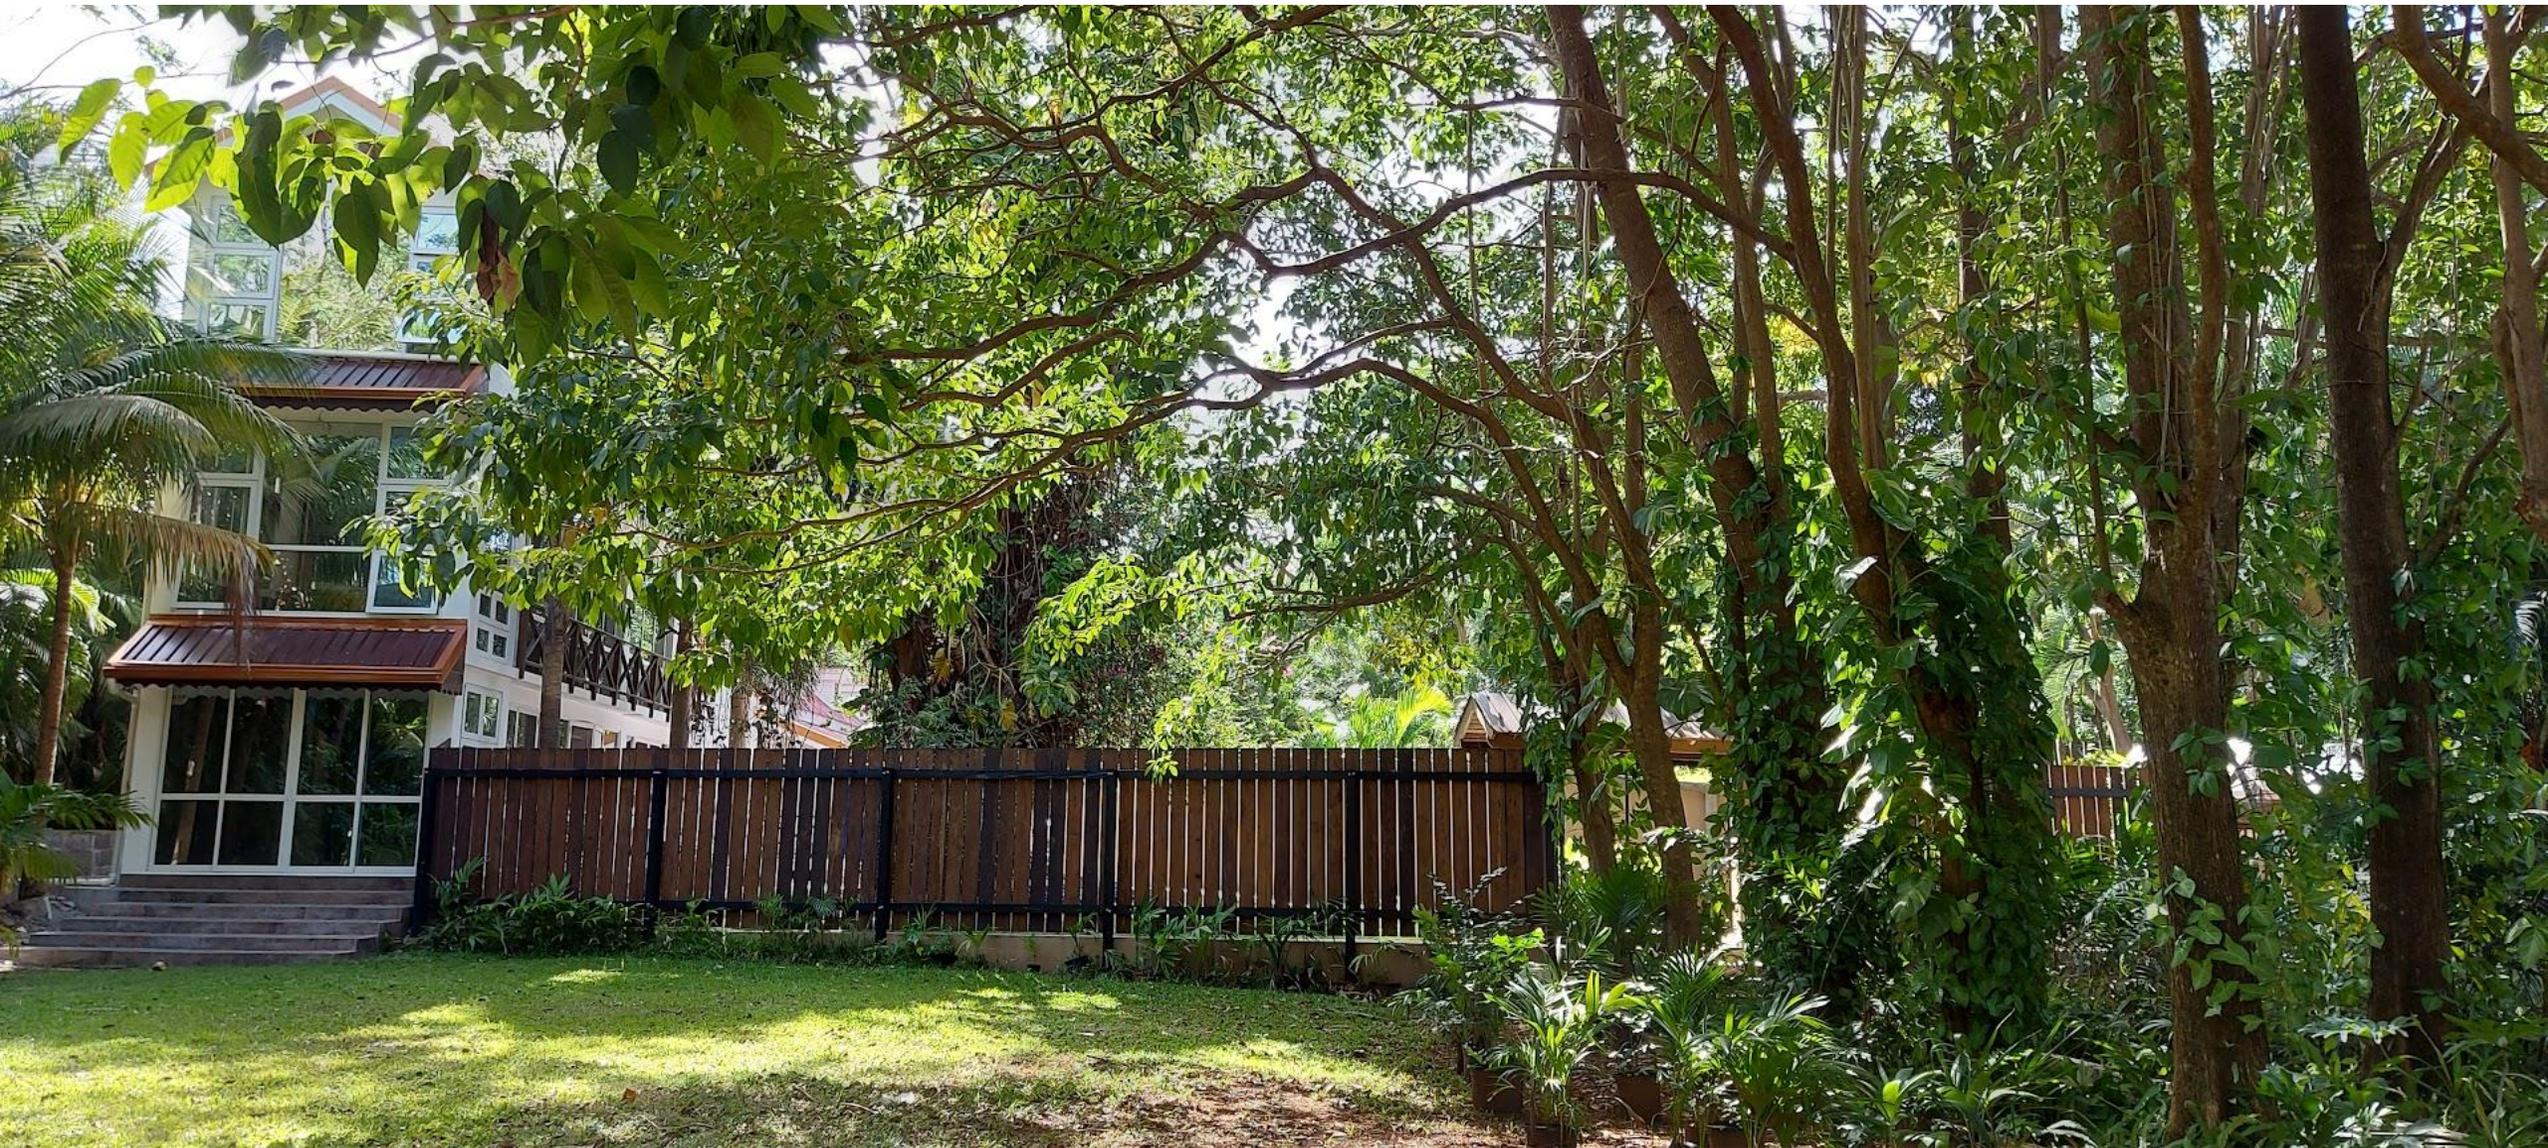

A vibrant tropical garden scene featuring a central dirt path lined with a wooden fence. The path is flanked by lush greenery, including tall palm trees and dense foliage. A large white silhouette of a hand is visible on the left side of the image. The year '2022' is prominently displayed in the center of the path.

2022

An aerial photograph of a lush, green tropical forest. In the lower-left quadrant, a building with a green roof and blue trim is visible. A dirt path or road winds through the trees, leading towards a larger structure in the distance. The forest is dense with various types of trees, including palm trees and flowering trees with pink blossoms. The overall scene is vibrant and natural.
