EXECUTIVE ORDER

- - - - -

INCREASING PARTICIPATION OF ASIAN AMERICANS
AND PACIFIC ISLANDERS IN FEDERAL PROGRAMS

By the authority vested in me as President by the Constitution and the laws of the United States of America, it is hereby ordered as follows:

Section 1. Policy. The more than 16 million Asian Americans and Pacific Islanders (AAPIs) across our country have helped build a strong and vibrant America. The AAPI communities represent many ethnicities and languages that span generations, and their shared achievements are an important part of the American experience. They have started businesses and generated jobs, including founding some of our Nation's most successful and innovative enterprises. The AAPI communities have made important contributions to science and technology, culture and the arts, and the professions, including business, law, medicine, education, and politics.

While we acknowledge the many contributions of the AAPI communities to our Nation, we also recognize the challenges still faced by many AAPIs. Of the more than a million AAPI-owned businesses, many firms are small sole-proprietorships that continue to need assistance to access available resources such as business development counseling and small business loans. The AAPI community also continues to face barriers to employment and workplace advancement. Specific challenges experienced by AAPI subgroups include lower college-enrollment rates by Pacific Islanders than other ethnic groups and high poverty rates among Hmong Americans, Cambodian Americans, Malaysian Americans, and other individual AAPI communities. Additionally, one in five non-elderly AAPIs lacks health insurance.

The purpose of this order is to establish a President's Advisory Commission on Asian Americans and Pacific Islanders and a White House Initiative on Asian Americans and Pacific Islanders. Each will work to improve the quality of life and opportunities for Asian Americans and Pacific Islanders through increased access to, and participation in, Federal programs in which they may be underserved. In addition, each will work to advance relevant evidence-based research, data collection, and analysis for AAPI populations and subpopulations.

Sec. 2. President's Advisory Commission on Asian Americans and Pacific Islanders. There is established in the Department of Education the President's Advisory Commission on Asian Americans and Pacific Islanders (Commission).

(b) Membership of the Commission. The Commission shall consist of not more than 20 members appointed by the President. The Commission shall include members who: (i) have a history of involvement with the AAPI communities; (ii) are from the fields of education, commerce, business, health, human services, housing, environment, arts, agriculture, labor and employment, transportation, justice, veterans affairs, and economic and community development; (iii) are from civic associations representing one or more of the diverse AAPI communities; or (iv) have such other experience as the President deems appropriate.
