NATIONAL TRAINING PROGRAM WEB RESOURCES

The National Training Program (NTP) provides consistent, accurate, and reliable information about federal healthcare programs, like Medicare, Medicaid, the Children's Health Insurance Program (CHIP), and the Health Insurance Marketplace®.

Anyone interested in learning about CMS-administered programs can access the NTP Learning Management System (LMS) to:

- Enroll in self-paced online training and watch videos

- Register for webinars and train-the-trainer workshops

- Sign up for email updates on upcoming training events and educational materials

CMS.gov - The official website for the Centers for Medicare & Medicaid Services (CMS).

Main audience: Partners, providers, and researchers.

- Research issues and get policy guidance using CMS manuals

- Read about new rules and policies

- Use the Data Navigator to locate files, publications, and statistical reports

- Learn about the Innovation Center, supporting development and testing for health care payment and service delivery models

- Get free educational materials for health care professionals via the Medicare Learning Network® (MLN)

CMS Product Ordering Site - Order and pre-order publications on topics like Medicare, Medicaid, CHIP, and the Health Insurance Marketplace®.

Medicare.gov - The official website for Medicare.

Main audience: People with Medicare and their caregivers.

- Log in (or create) a secure Medicare account for people with Medicare to get their Medicare information anytime, see claims, and more

- Find and compare providers, like doctors, nursing homes, hospitals, and more

- Find a Medicare health or drug plan

- Read, print, or order free Medicare publications in a variety of formats

Health Insurance Marketplace® is a registered service mark of the U.S. Department of Health & Human Services (HHS).

[**Medicaid.gov**](Medicaid.gov) - The primary resource for states. It has information about eligibility, enrollment, and funding.

Main audience: State Medicaid agencies.

- Get access to the State Resource Center for tools and data supporting state Medicaid and CHIP programs
- View and comment on demonstrations and waivers
- Read federal policy guidance

[**InsureKidsNow.gov**](InsureKidsNow.gov) - Helps families find free or low-cost health and dental coverage for kids and teens through CHIP.

Main audience: Families with children.

- Help families find coverage
- Get outreach tools
- Sign up for the Campaign Notes eNewsletter

[**HealthCare.gov**](HealthCare.gov) - The official website for the Health Insurance Marketplace®. It helps people find health insurance best suited for their needs and routes consumers to state-based Marketplaces.

Main audience: Individuals and families.

- Apply for and enroll in health insurance plans, Medicaid or CHIP
- Re-enroll, change, or cancel plan options
- View frequently asked Marketplace questions

[**Marketplace.cms.gov**](Marketplace.cms.gov) - Get information about programs and tools to help people who are new to the Marketplace or already enrolled.

Main audience: Assisters and outreach partners

- Get applications, forms, and notice examples
- Find training material and toolkits
- Print or download materials for consumers, and resources for presentations

[**SSA.gov**](SSA.gov) - The official website of Social Security.

Main audience: General public

- Apply for benefits
  - Retirement: SSA.gov/benefits/retirement
  - Medicare: SSA.gov/benefits/medicare
  - Extra Help with Medicare prescription drug costs: secure.ssa.gov/i1020/start
  - Disability: SSA.gov/benefits/disability
- Log in (or create a "my Social Security account") to update a mailing address
- View policies in Social Security's Program Operations Manual System (POMS)

Regulations.gov - A source for U.S. government regulations from nearly 300 federal agencies, including CMS.

Main audience: General public.

- Includes Final Rules and Regulatory Agendas that list regulations each agency plans to issue

- Visit open.gsa.gov/api/regulationsgov to find regulatory materials and submit comments. You can also:

  - Sign up for email alerts

  - Access the Regulations.gov application programming interface (API) documentation

eCFR.gov - The Electronic Code of Federal Regulations (e-CFR) is a source for Medicare regulation information.

Main audience: General public.

- Find regulations of implemented Final Rules

- See ecfr.federalregister.gov/current/title-42 for final regulations about Medicare
