

KEY FINDINGS

Round 48 (May - June 2023)

DTM

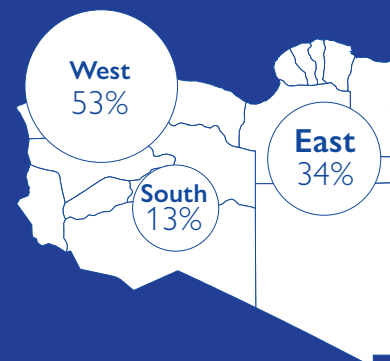

704,369

migrants were identified by DTM Libya in May and June 2023. Around eight in ten (79%) were adult males, 11 per cent adult females, and 10 per cent were children (among whom 4% were unaccompanied children).

COST OF JOURNEY

Migrants reported that their journey to Libya cost on average 863 USD per person. Migrants' largest expense was the cost of migration facilitators, whose services were used by 63 per cent of migrants, primarily for transportation (92%) or to help them cross difficult areas along the route (51%).

LOCATION

REMITTANCES

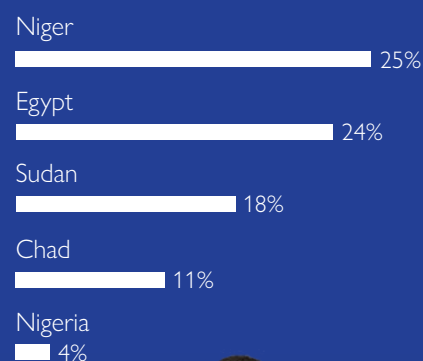

Around one in three migrants (36%) mentioned having sent remittances since arriving in Libya. Among them, around half (49%) stated that the money they send home is their household's primary source of income.

EMPLOYMENT

23%

of migrants interviewed in May and June 2023 stated that they were unemployed and actively seeking work. A greater proportion of female (56%) than male migrants (22%) mentioned being out of work and actively seeking employment.

TOP 5 NATIONALITIES

WHAT ARE THE THREE MAIN DIFFICULTIES MIGRANTS ARE FACING?

(multiple-choice question)
