Vice-President of the EIB

GENERAL SECRETARIAT

The General Secretariat is responsible for implementing and monitoring the decision-making process and the provision of secretariat services for all the EIB's governing bodies. It defines institutional strategy (including the Operational Plan), provides economic analysis on the employment and growth impact of EIB activities and potential new products, and coordinates and develops relations with EU institutions, international and development financing agencies and non-governmental organisations. It is also in charge of communications and corporate responsibility.

EIB GLOBAL DIRECTORATE

The directorate brings all the resources of the EIB to bear on its operations outside the European Union with a structure designed to foster a strong, focused partnership with Team Europe. It works through efficient cooperation with our partners and beneficiaries, with development finance institutions, and civil society. EIB Global brings the EIB closer to local people, companies and institutions.

FINANCIAL CONTROL DIRECTORATE

The directorate is mainly responsible for informing internal and external stakeholders about the Bank's financial position, results and performance. It has to ensure the integrity, completeness and accuracy of the Bank's financial statements and compliance with the applicable accounting standards and best practices. In 2016, the directorate established the Internal Controls and Assertion Division, which aims to strengthen the Bank's second line of defence and provides a common platform to assess and report on the EIB's control risks.
