## **2001 – 2002 PRIMETIME EMMY AWARDS NOMINATIONS**

Nominations for the 54<sup>th</sup> Annual Primetime Emmy Awards for the period of June 1, 2001, through May 31, 2002, were announced today (July 18) by the Academy of Television Arts & Sciences (ATAS) from the Leonard H. Goldenson Theatre, North Hollywood, CA. ATAS Chairman of the Board & CEO Bryce Zabel presided, assisted by Eric McCormack and Laura Innes.

The Awards Presentation telecast awarding Emmys in 27 categories before a black-tie audience will be televised by the NBC Television Network on Sunday, September 22, from the Los Angeles Shrine Auditorium. The academy's Governors Ball will follow the telecast at the Shrine Exhibition Hall, adjacent to the auditorium.

This year's Emmy telecast will be executive produced by Gary Smith, produced by Dann Netter with Michael Seligman serving as supervising producer and Louis J. Horvitz directing.

On Saturday, September 14, also at the Shrine Auditorium, 59 awards "categories" (a single award) and "areas" (possibility of one, more than one or no award) will be handed out at a black-tie presentation co-chaired by Michael A. Hoey and Carl Ciarfallo, executive produced by Michael A. Hoey and John Moffitt, and produced by Spike Jones, Jr.

An Emmy Plaque for Outstanding Achievement In Interactive Television Programming was approved by the Board of Governors for HBO's "Band Of Brothers" interactive media component. The award will be presented at the Engineering Awards presentation from the stage of the academy's Leonard H. Goldenson Theatre at 7:30 PM on August 21.

Additional awards may also be given for the "juried areas" (no nominations) of Voice-Over Performance and Individual Achievement in Animation. The announcement of these awards, if any, will be released on August 12. Additional awards may also be given for Engineering and the Governors Award.

The six nominations are not included in the network breakdown, e.g. the total number of nominations is 434, but the total number of nominations listed in the network breakdown is 427.

The complete list of Primetime Emmy nominations and other Academy news and information is available for download from the Television Academy's web site, located at <http://www.emmys.tv>.

Nominations were made by active Academy members who voted for programs and other peer categories of their expertise. For example, performers, in addition to voting for programs, voted for performers, while writers voted for writers, directors for directors, etc.

Peer panels made up of active Academy members will screen nominations during the month of August and, in secret ballot, select the Emmy winners.
