2012 COLLECTION BY SELECTION

Dear Collector

As a long time customer and a person whom we regard as a genuine collector we would like you to be one of the first customers to preview our foundation range of 2012 coins from our 2012 Collection by Selection.

This new order form allows you to not only view all of the coin themes for 2012 but also offers you the opportunity to order coins in advance from the 2012 Collection by Selection.

That's right, this simple order form will allow you to order products from the 2012 foundation range, pay the total cost upfront and then receive each coin as they are released, it couldn't be any simpler. But the real advantage to you is that your 2012 collection is then secured. You will also benefit further by receiving free gifts and depending on your total payment an exclusive opportunity to order a coin with a limited mintage of 500 or 1000.

We don't deny that our delivery process in the past has found it hard to cope with the large demand for our products so this new system streamlines the entire order process, and allows us to have it packed and ready for shipment from the release date of each product. Imagine the look of envy from fellow collectors when your new released coins arrive before they have even had the chance to place their order through our usual process.

By ordering this way, where you just pay one total upfront payment, you can feel comfortable in the knowledge that your order is locked in and won't be affected by future price rises or additional postage fees. If a new product is added outside of the Mint's planned product schedule then you will get a sneak peak before the general public even knows about it and of course you will still enjoy access to our ballot program for those very exclusive mintage products.

Let's face it our former Friends of the Mint program never really made you feel as important as we had originally hoped (and will no longer continue) but by ordering your 2012 coins through the Collection by Selection you will enjoy some of the privileges that are afforded to customers like yourself.
