

# Thermae Bath Spa and city centre walk

## A good introduction to the City

This walk, starting from the unique Thermae Bath Spa, is one and a half miles long and includes many interesting features of Bath's beautiful city. Although urban in nature, busy roads are largely avoided.

Places of interest to see include The Cross Bath, Theatre Royal, Queen Square, Gravel Walk in the Royal Victoria Park, Georgian Garden, Royal Crescent, The Circus, Assembly Rooms and Milsom Street. The walk finishes by winding through small shopping lanes back towards the Abbey, Roman Baths and Pump Rooms and the Tourist Information office.

The walk climbs gently towards The Circus and back down again towards the Abbey.

The walk starts at the New Royal Bath and finishes at the Roman Baths, linking centuries of spa tradition.
